TheHomeSchoolMom local resource lists are sponsored by Time4Learning, where you can find resources, support groups, prep testing information and many others. Looking for someone to teach your teenager physics? Need a way to avoid teaching algebra? Want to enroll your kindergarten in a cooperative for social time? Preschool classes and cooperatives are a great way to spend time with other preschoolers and share skills with other preschool parents. Our list of Florida cooperatives and academic classes for preschools is ordered alphabetically by the city, with cooperatives in the first chapter and all other academic resources below. If you want to introduce a Florida cooperative or academic resource, you can do so with the red button above.
