

KIMBERLY BRYANT –Four-year seat

I LOVE serving the citizens of Alpine.

I have deep roots in Alpine and in community service. Some of my key positions have been on the planning commission, Cemetery Commission, Youth Council, Mayor Pro-tem and Chair of the Lone Peak Fire and Safety board. I am currently serving as vice-chair of the Fire and Safety board.

My greatest fulfillment in community service comes from meeting with, and serving, the great people of Alpine. I am your representative and your voice. When needed, I go door to door seeking your opinion and viewpoint on important city issues. I am always interested in hearing your needs, concerns, and opinions.

I have always been a conservative steward of your tax dollars. Safety, water, roads, and sewer are my top priorities. I have been an advocate for low density and protection of our critical environmental areas. I am passionate about preserving what makes Alpine the unique and beautiful place we call home.

There are a few areas of Alpine yet to be developed, and ensuring they are done correctly is critical. I have the experience and knowledge to represent you and the interests of the city as these are brought before the city council.

I am asking for your vote to allow me to continue to protect the past, present, and future of Alpine.
