

## Signing Up for the EyeOnWater app

### Signing up on your computer

Go to **EyeOnWater.com** > under the blue Sign In bar, click Create Account. Enter your ZIP Code and Alpine City account number. (Note: enter **all** the numbers, but **do not** type the decimal point. Example: Account 387.2 is simply entered as 3872).

Click Next and follow the prompts. You can now see your water usage and watch for leaks. Double click on a specific day to see your hourly usage.

### Cell phone app

Go to your app store > Search for Eye On Water > Choose the one that says "Making Water Visible" with the blue water droplet.

Get the app > Install app > Open > Sign Up > enter ZIP code > enter account number (as above, **do not** type the decimal, but enter all the numbers) > Continue > Yes, that's me > Create account > enter email > create password > accept account terms.

Verify email > go to your email, find the one from Eye On Water > click Verify My Email > Enable notifications.

You should now be able to see your water usage and sign up to receive notifications if you have a leak.
