

### SHELDON WIMMER

It is a great honor to have served as Mayor of Alpine since February, 2016. I love Alpine. My wife and I have lived in this community for over 43 years and during that time I was twice elected as Alpine City Councilman. Prior to this appointment, I served on the Timpanogos Special Service District committee for four years. I became the first Public Safety Director of Lone Peak Special Service District, and now serve as chairman of that organization. Recently, I was selected as member of the executive committee of the Utah Lake Commission.

I am retired and devote a great deal of time to the mayoral tasks of Alpine City. I have an open-door policy and invite all to come and meet with me. When there is a problem, I am willing to sit down and discuss solutions that are best for Alpine and its citizens. I have been attending the Planning and City Council meetings during the past *four years*, believing that being informed and up-to-speed on issues is vital for all public servants.

If I am re-elected as Mayor, my goal is to support *Alpiners*; working together we can build a unified Alpine. I am also looking forward to completing Alpine Watershed Protection and Lambert Park Master Plans.
