

Toquerville City is requesting resident input to name the Proposed BYPASS ROAD

As progress toward the acquisition of all property needed to start work on the long-awaited Bypass Road moves ahead, Toquerville City officials would like to name this major artery that will support the community and provide secondary access for many residents. Please send your suggestions to the City at treasurer@toquerville.org or you may turn them in at the Office or put them in the drop box at the Office front door. The top three names will be selected, and the Council will vote on the final name.
