TO: Westfield Area Residents  
RE: Westfield Traffic Rerouted

In order to finish the final road crossings for utilities for the Ash Creek Overlook Subdivision, Westfield Road Traffic will be rerouted during the week of January 14-21. The developer and the City apologize for the inconvenience that has come with the construction. The delay has been caused by the rocky soils making utility depths difficult to attain.

Traffic will be rerouted from Westfield at West Peachtree to Lake Lane. Westfield in that area will be closed to thru traffic. Only residents who live on Westfield in that closed portion will be allowed to access the road.

Thank you for your cooperation while the contractor works to finish the work necessary. Any questions may be directed to Lance Gubler at 435-216-6465, or JD Adams at 435-313-0454.

From: Toquerville City Office
