PROTECTIVE FLOOR COVER

Connor Sports • 800.283.9522 • 847.290.9020 • info@connorsports.com • connorsports.com

Tiles are easily cut to fit your facility.

Unique features include recycled non-marking thermoplastic backing, highly stain resistant surface and excellent sound absorption.

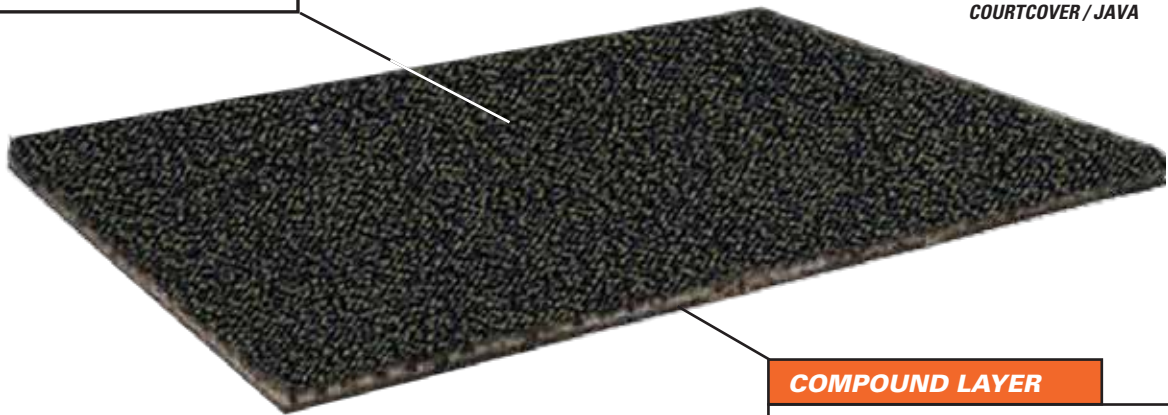

This high-performance, portable floor cover system incorporates easy alignment, quick assembly and reduced storage requirements.

Transform your gymnasium into a high-end meeting space without worrying about damaging your hardwood court investment.

## TEXTURED SURFACE

Easy to care for, stain resistant, soft carpet-like textured surface.

COURTCOVER / JAVA

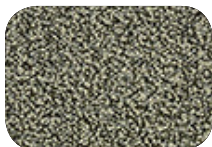

## COMPOUND LAYER

Polymetric compound layer protects floor from scratches or damage.
