

CONNOR SPORTS

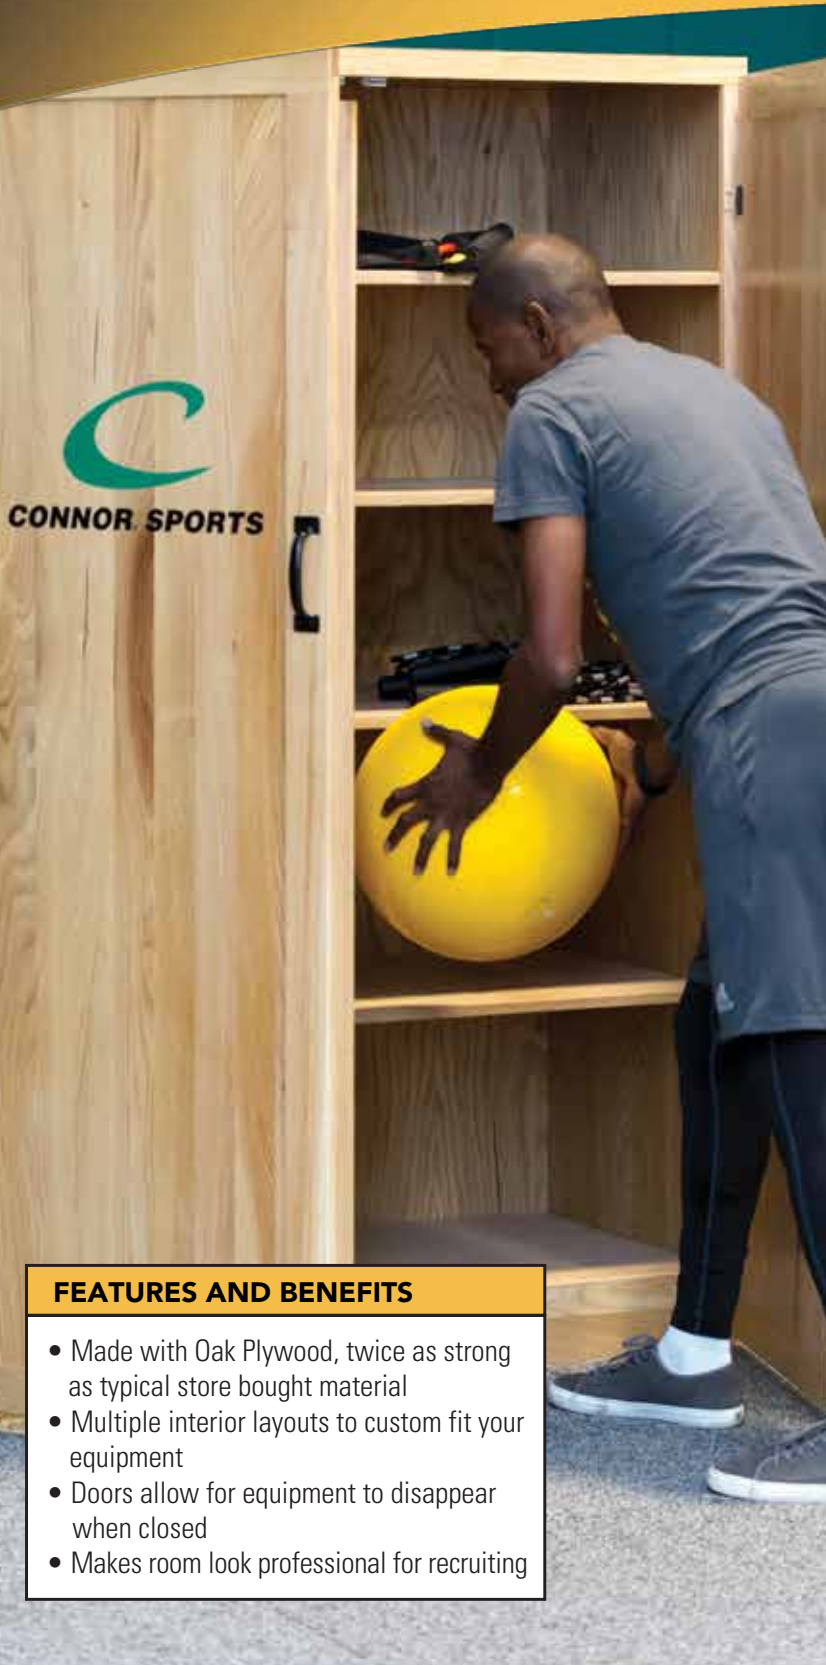

TRAINING SYSTEMS

STANDARD STORAGE UNIT

- 48" wide x 24" deep x 72" high
- Oak Plywood
- Optional school/strength logo

Connor Sports organizes your performance room with custom storage and performance equipment. Our systems, engineered in partnership with strength coaches, meet the needs of today's weight rooms, performance centers, nutrition areas and gyms.

FEATURES AND BENEFITS

- Made with Oak Plywood, twice as strong as typical store bought material
- Multiple interior layouts to custom fit your equipment
- Doors allow for equipment to disappear when closed
- Makes room look professional for recruiting
