SPORTBOND PLUS DIN™ FLOATING SYSTEM

Connor Sports • 800.283.9522 • 847.290.9020 • info@connorsports.com • connorsports.com/hardwood

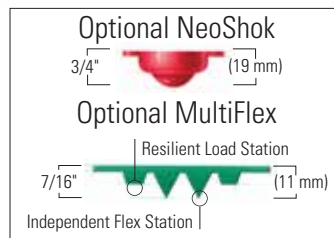

Parquet type flooring provided in the SportBond Plus system is manufactured from primarily vertical grain maple to decrease dimensional shrinkage and growth associated with seasonal conditions.

The double plywood subfloor can be supported by numerous resilient pad options, with flooring arranged in a straight lay or alternating square pattern.
