HIGH IMPACT ATHLETIC SURFACE

Connor Sports • 800.283.9522 • 847.290.9020 • info@connorsports.com • connorsports.com/traction

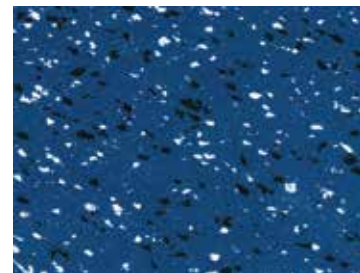

Ideal for ice rink perimeters, locker rooms and other areas subjected to traffic from blades, cleats and spikes.

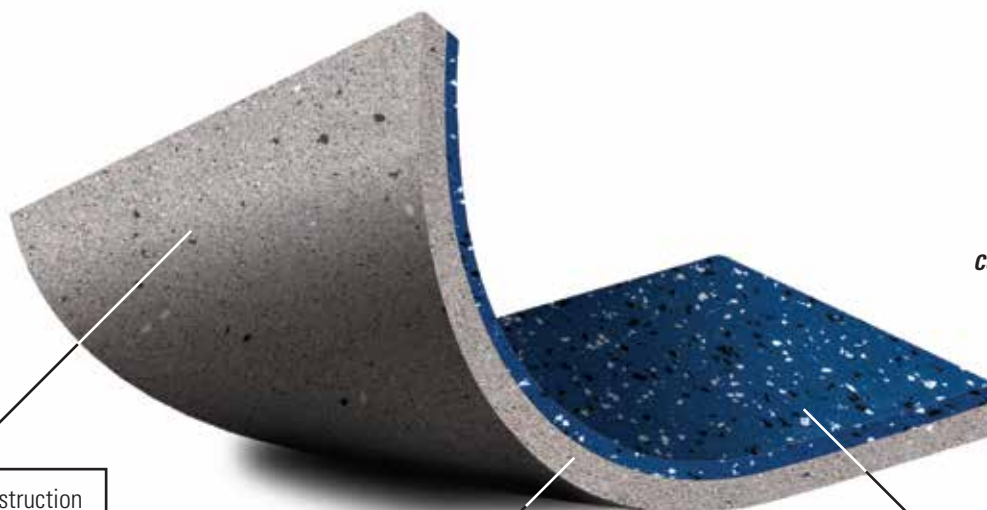

Smooth, non-porous finish provides easy maintenance. No waxing, stripping or refinishing required.

Resists bacterial contamination. Ideal for keeping locker rooms clean, healthy and virtually odor free.

Vulcanized virgin rubber top layer offers brilliant colors that last! 10+ year life expectancy. Green Certified.

## BASE LAYER

Dual durometer construction provides outstanding force reduction and safety.

## CORE LAYER

Core layer disperses impact, virtually eliminating "bottoming out."

## TEXTURE LAYER

Heavy duty stone textured surface designed for high impact weightroom traffic.

## THICKNESS

RinkSide Ice High Impact Athletic Surfaces are available in 6, 8 and 10mm thicknesses in either 1.4 meter (4'7") wide rolls or 1 meter square tiles.
