

## **Job Posting**

**Title:** CAD Drafter / Designer / Water and Wastewater Treatment Systems

**Forsgren Job ID:** SLC-CAD-101817

**Location(s):** Salt Lake City, UT

**Employment Type:** Full-time / Exempt

**Salary Range:** \$38/hour and up (based on experience)

### **Position Overview:**

Building on our 55-year legacy and established presence throughout the western US, Forsgren Associates is experiencing steady growth. We are looking for an energetic CAD Drafter / Designer who is eager to be involved on a wide range of civil engineering projects. Qualified candidates should be comfortable proactively working together with other staff to continue to grow our practice. The candidate should be skilled in the design of water, wastewater, reuse, and industrial treatment systems. This position has the opportunity for growth.

### **Duties and Responsibilities:**

- Collaborate with staff engineers to design, draft, review and evaluate engineering plan sets
- Perform assignments designed to develop professional knowledge and abilities of standard drafting / designing techniques and procedures
- Establish and maintain effective working relationships and work in a team environment
- Design water and wastewater treatment systems

The above job description is not intended to be, nor should it be construed as, exhaustive of all responsibilities, skills or competencies associated with this job.

### **Minimum Qualifications:**

- AutoCAD (process piping, pumps and treatment units) experience
- Knowledge of water and wastewater treatment plant design
- Civil / mechanical drafting skills
- AutoCAD Civil3D experience
- GIS and/or Microstation experience a plus
- Must be detailed and quality oriented
- Must be able to handle multiple projects concurrently and maintain flexibility to changes in work assignments as changes occur in projects
- Experience with Microsoft Office Suite

### **Benefits:**

Forsgren Associates offers a competitive compensation and benefits package as well as the additional benefits of being an employee-owned company and sharing in the company's success. We respect the personal needs of our employees, and actively promote a healthy work / life balance. Empowering our team members to succeed, we reward them for their success.

**Company Overview:**

Forsgren Associates is an employee-owned, multi-discipline civil engineering and environmental consulting firm that provides planning, permitting, design, and construction management services for infrastructure improvement projects. Since 1962, we have been promoting responsible development by protecting and enhancing civil infrastructure... cost-effectively, promptly, and sustainably. As a result, over the past 55 years we have grown steadily to over 120 employees in 14 offices across 10 states. As we serve our growing list of clients throughout the western U.S., we continue to grow as a company even through these difficult economic times. Join us. We are committed to engineering stronger communities. [www.Forsgren.com](http://www.Forsgren.com)

**To apply:**

Please submit a letter of introduction and resume to **Succeed@Forsgren.com**. Please reference the Job Title and Forsgren Job ID in the subject line.

Forsgren Associates will not accept unsolicited resumes from third party agencies or recruiters. No fee will be paid to third parties who submit unsolicited candidates directly to hiring managers.

We thank all applicants; however, only candidates selected for an interview will be contacted. This position is subject to close at any time. Forsgren Associates is an Equal Opportunity Employer.
