

## **Job Posting**

**Title:** Project Engineer / EIT (2 Open Positions)

**Forsgren Job ID:** SLC-EIT-082517

**Location(s):** Salt Lake City, Utah

**Employment Type:** Full-time / Exempt

### **Position Overview:**

Building on our 55-year legacy and established presence throughout the western US, Forsgren Associates is experiencing steady growth. We are looking for two energetic E.I.T.s who are eager to be involved on a wide range of civil engineering projects. Qualified candidates should be comfortable proactively working together with other staff to continue to grow our practice. This position has the opportunity for growth.

### **Duties and Responsibilities:**

- Perform assignments designed to develop professional knowledge and abilities of standard engineering techniques and procedures
- Assist in the preparation of plans, specifications, supporting documents, and permit applications and verify that they are complete, accurate and in accordance with best engineering practices
- Assist in the preparation of calculations for cost estimates and other supporting documentation for a variety of engineering projects
- Establish and maintain effective working relationships and work in a team environment

The above job description is not intended to be, nor should it be construed as, exhaustive of all responsibilities, skills or competencies associated with this job.

### **Minimum Qualifications:**

- B.S. in Civil Engineering (or related field)
- E.I.T. / 0-3 years of civil engineering experience and actively pursuing licensure
- Strong written communication skills required for writing in a technical format
- In collaboration with staff engineers, must be able to design general engineering solutions
- Must be detailed and quality oriented
- Must be able to handle multiple projects concurrently and maintain flexibility to changes in work assignments as changes occur in project
- Experience with Microsoft Office Suite
- AutoCAD, GIS, and/or Microstation experience preferred

### **Benefits:**

Forsgren Associates offers a competitive compensation and benefits package as well as the additional benefits of being an employee-owned company and sharing in the company's success. We respect the personal needs of our employees, and actively promote a healthy work / life balance. Empowering our team members to succeed, we reward them for their success.

**Company Overview:**

Forsgren Associates is an employee-owned, multi-discipline civil engineering and environmental consulting firm that provides planning, permitting, design, and construction management services for infrastructure improvement projects. Since 1962, we have been promoting responsible development by protecting and enhancing civil infrastructure... cost-effectively, promptly, and sustainably. As a result, over the past 55 years we have grown steadily to over 100 employees in 12 offices across 10 states. As we serve our growing list of clients throughout the western U.S., we continue to grow as a company even through these difficult economic times. Join us. We are committed to engineering stronger communities. [www.Forsgren.com](http://www.Forsgren.com)

**To apply:**

Please submit a letter of introduction and resume to **Succeed@Forsgren.com**. Please reference the Job Title and Forsgren Job ID in the subject line.

Forsgren Associates will not accept unsolicited resumes from third party agencies or recruiters. No fee will be paid to third parties who submit unsolicited candidates directly to hiring managers.

We thank all applicants; however, only candidates selected for an interview will be contacted. This position is subject to close at any time. Forsgren Associates is an Equal Opportunity Employer.
