Title: PLS / Land Surveyor

Forsgren Job ID: REX-PLS-091118

Location(s): Rexburg, ID

Employment Type: Full-time / Exempt

Position Overview:

Building on our 56-year legacy and established presence throughout the western US, Forsgren Associates is experiencing steady growth. We are looking for an energetic land surveyor who will perform field and office work and have a willingness to do both to help continue growing our surveying business. Forsgren uses the newest Trimble surveying equipment as well as drones and single-beam sonar systems. Typical projects include boundary and design / topographic surveys, right-of-way mapping, ALTA/NSPS surveys, cadastral surveys and construction staking. Qualified candidates should be comfortable proactively working together with other staff to exceed client expectations. This opportunity is ideal for a career-minded person who is interested in growing into a leadership role.

Duties and Responsibilities:

- Perform the work necessary for the entire lifecycle of a project including all phases of land surveying and map preparation, research, principles of boundary control, land surveying techniques, and mapping
- Strengthen existing client relationships, attend meetings and proactively communicate with clients to understand project needs and requirements
- Take an active role in regional business development by helping to identify and win new business through networking, estimating, proposal preparation, and client presentations

The above job description is not intended to be, nor should it be construed as, exhaustive of all responsibilities, skills or competencies associated with this job.

Minimum Qualifications:

- A.S., B.S., or equivalent experience in Surveying / Geomatics
- 5+ years of surveying experience — both office and field work
- Professional Land Surveyor (PLS) registration in Idaho or eligible to apply
- Proficiency using Autodesk Civil 3D, Trimble GPS, and conventional survey data collection and processing programs (MicroStation a plus)
- Must be detailed and quality oriented
- Ability to successfully manage and grow client relationships
- Project management experience including development of project proposals, scopes, budgets, and the successful execution and tracking of both small and large surveying projects
- Excellent verbal and written communications skills, and strong interpersonal skills

Benefits:

Forsgren Associates offers a competitive compensation and benefits package as well as the additional benefits of being an employee-owned company and sharing in the company's success. We respect the personal needs of our employees, and actively promote a healthy work / life balance. Empowering our team members to succeed, we reward them for their success.

Company Overview:

Forsgren Associates is an employee-owned, multi-discipline civil engineering and environmental consulting firm that provides planning, permitting, design, and construction management services for infrastructure improvement projects. Since 1962, we have been promoting responsible development by protecting and enhancing civil infrastructure... cost-effectively, promptly, and sustainably. As a result, over the past 56 years we have grown steadily to over 130 employees in 16 offices across 10 states. As we serve our growing list of clients throughout the western U.S., we continue to grow as a company. Join us. We are committed to engineering stronger communities. www.Forsgren.com

To apply:

Please submit a letter of introduction and resume to **Succeed@Forsgren.com**. Please reference the Job Title and Forsgren Job ID in the subject line.

Forsgren Associates will not accept unsolicited resumes from third party agencies or recruiters. No fee will be paid to third parties who submit unsolicited candidates directly to hiring managers.

We thank all applicants; however, only candidates selected for an interview will be contacted. This position is subject to close at any time. Forsgren Associates is an Equal Opportunity Employer.
