## BECOMING A VENDOR

The SHFM seeks to encourage the growth of backyard growers, small urban farms and local entrepreneurs to apply. Each application is judged on providing an overall variety of grower's products, locally crafted items and unique offerings. Mass produced and franchised items are not allowed at the SHFM.

All participants apply and are reviewed annually. Vendors are reviewed based on several criteria, including product quality and origin (how and where the product is made/produced), category and space availability, previous attendance and other pertinent criteria. In order to maintain a vibrant and appealing market, a limited number of booth spaces are available in each category with the exception of produce and farm/agricultural products.

### **Categories:**

**Farmer/Grower** - Sell only fresh, raw, whole, unprocessed, and unprepared food items directly to the final consumer (fruits, vegetables, flowers, grains, eggs and nuts). Value-added products (e.g. salsas, jams, and pickles) may qualify under this category if vendor can prove that products are predominantly grown or gathered from the vendor. Value-added vendors must provide a copy of their Department of Agriculture certificate before selling at the Market (eggs excluded).

**Prepared Packaged** - Food items that are prepared or processed in any manner before arriving at the SHFM and must come from an approved commercial kitchen. It is the responsibility of the vendor to obtain all of the required permits and approval from the Department of Agriculture before vending in the DFM. A copy of the "Food Establishment Permit" must be provided electronically to Market Management and posted in plain view at the booth.

**Prepared Served** - Food items that are prepared at the SHFM for immediate consumption fall under Salt Lake Valley Health Department regulation and require a temporary event permit for each day product is sold. Electricity is limited in the park; therefore, it is required that vendors operate without using power or by using solar power. It is important that each vendor understands these regulations and the necessary steps for compliance before submitting an application.

**Ranchers/Animal Products** - Meat, honey, and dairy products. The vendor must raise the animals being used for this category. Requires a Department of Agriculture certificate before it may be sold at the Market.

**Arts & Crafts** - All items must be handmade by the applicant in Utah. Pre-Manufactured, mass produced, imported or commercial products will not be considered.

Where Community Happens

**Food trucks** - Prepared food served out of a vehicle or trailer equipped with facilities for cooking and selling food. Size exceeds the standard 10x10 booth size.

**Exhibitors** - Promotional booth space for local Utah businesses to share programs, products or services with the community. Preference is given to exhibitors who offer give-a-ways, hands-on, and educational activities to draw participants to the market.

### **Vendor Types:**

The SHFM offers two enrollment options for all vendor categories:

- 1) **Season Vendors:** Three-market commitment.
- 2) **Single-Day Vendors:** Sign up to participate on individual days. Space is limited and not guaranteed.

### **Policies and Procedures**

To participate in the SHFM, Vendor must comply with the Policies & Procedures. Vendors who fail to comply will lose their right to participate. No refund shall be provided.

These guidelines reflect the emergent nature of the Sugar House Farmers Market as a movement and a network. As such, this is a living document. The SHFM will oversee modifications that may be necessary from time to time.

### **Market Set-Up:**

Set-Up Hours: Vendors may begin setting up at 7:00 am on Sunday. Vendors may not set up prior to 7:00 am. All booths must be completely set up by 8:15 am. If you are late setting up, a warning will be conveyed to the vendor. The 2nd time of late arrival, you may be subject to permanent dismissal. This is a public safety issue.

### **Set-Up Regulations:**

Vendors must provide all set up materials (tent, tables, signage, etc.) HVJF will not loan any materials to vendors. Booth space is approximately 10' x 10' canopy style and should be arranged in an attractive and inviting manner. Your booth set up is meant to entice customers to visit your booth. All booths must be properly weighted down (50 lb per leg) for the entirety of the market. Vendors shall keep their booth clean and free of trash and debris. At the end of a market day, Vendors shall remove their own trash from the event and leave their space spotless. Prices for all items must be displayed.

**Vehicles** Some vendors will be allowed to set up at their vehicle, while others will need to unload and park in the designated vendor parking prior to the market opening. The Market Manager holds the right to determine which Vendors are allowed to set up at their vehicle. It is greatly beneficial to the market to ensure there is enough parking for customers and park users, so vendors who fail to utilize designated the vendor parking area may result in dismissal of the market. There will be no driving within the park between 8:15 am and 12:30 pm.

**Electricity** is not available for the SHFM. If you require electricity for your merchandise, you are required to provide your own generator. All generators must be muffled to respect Sugar House residents, merchants and customers. (Suggested generator - Honda EU3000is or equivalent). Without refunding vendor fees, SHFM may request a vendor to leave if the vendor's generator is deemed too loud. Vendors attempting to use electricity outlets located on or near Fairmont Park buildings will be immediately removed from the market without refund. These outlets are for SHFM use and may not be used by market vendors without prior SHFM approval.

**No vendor is allowed to leave prior to 12:30 p.m.** This is for the safety of the public and other vendors, as well as the prestige of the market. If Vendor sells out of product, they must set up a sign indicating they have sold out.

#### **Vendor Requirements:**

**Attendance:** Because of the importance of keeping a full and active farmers market, all Full-Season Vendors are expected to attend the farmers market each month for the full season. Single-Day vendors are expected to attend each scheduled date, and should not request dates they cannot attend. An absence is considered unexcused if a vendor fails to notify the Market Manager within 48-hours before the market or does not show up to the market without notification. **Vendors who have two or more unexcused absences will be removed from the market.**

Vendors not able to attend a scheduled market date are required to notify the SHFM Market Manager with as much notice as possible. See contact info for more necessary information. Featured vendors are required to notify management of planned absences on the market application & in an email prior to date. Unforeseen emergencies will be taken into consideration on a case by case basis. Cancellation or no show date fees are not refunded or waived. Attendance will be STRICTLY enforced.

An updated certificate will need to be provided to SHFM for any policies renewed during the market season. You may have your insurance agent mail or email a copy of the certificate directly to SHFM. Insurance requirements will not be waived for any vendors.

**Sales Tax:** It is each vendor's responsibility to know if they are required to collect and remit Utah Sales Tax. SHFM does not accept responsibility for vendors who fail to meet this obligation. Vendors who are required to remit sales tax must have a valid Sales Tax Permit. Failure to respond and reply to sales tax inquiries by the Internal Revenue Service will eliminate vendors from future participation in the SHFM. For questions, please call the Utah State Tax Commission Special Events Unit at (801) 297-6303.

Garbage MAY NOT be placed in any city trash bin, private dumpsters, event trash box, or left on the curb. These are for customers only. Failure to follow these standards is a violation of these policies and procedures and repeat offenders may be removed from the market without refund of dues. Prepared food vendors will be charged an additional \$50 per space for trash maintenance fee due to the extra waste created. Additional trash maintenance fees will be applied if necessary.

**Other Policies & Information:**

**Products:** Items sold at vendor booths must reflect what was approved in their application. Resale of products is prohibited. Market staff has the right to ask a vendor to remove products not preapproved in the initial application process.

imminent. The message and pertinent information will be broadcast to onsite vendors via verbal announcement.

**SNAP Program:** The SHFM is a Supplemental Nutrition Assistance Program (SNAP) authorized farmers markets. In addition, SHFM participates in the Utah Double Up Food Bucks (DUFEB), a nutrition incentive program that helps SNAP recipients take home more fruits and vegetables while supporting Utah farmers and growing local economies. The program works by matching SNAP benefits - dollar-for-dollar, up to \$10 per market day - for purchasing locally-grown fruits and vegetables at participating farmers markets and farm stands. Eligible vendors will be required to complete a separate agreement to accept Double Up tokens at the market from authorized SNAP participants in exchange for fresh fruits and vegetables grown within the state of Utah in accordance with market and program guidelines.

**Vendor Conduct:** All vendors are expected to respect each other. If a problem occurs, you must alert the Market Manager immediately. The SHFM reserves the right to ask any vendor to leave for disorderly conduct and inappropriate behavior. The SHFM welcomes all regardless of race, creed, color, sex, religion, sexual orientation, age, nationality or ability.

**Vendor fees:** Featured Vendors are required to pay for the entire season before June 15, 2019. Drop-in vendor fees are due prior to setting up for the market day(s) you are scheduled to attend. Online payments are preferred, but checks are acceptable with approval from the Market Manager. Refunds will not be provided for missed market days.

**Advertisement:** The SHFM logo will be sent to vendors to promote participation in the SHFM on all social media accounts and at outreach events the vendor attends. All vendors are expected to help promote the market on each account with active presence.

**Low Waste Policy:** SHFM is committed to being an environmentally friendly, low waste market. Participation in the SHFM means you accept and agree to adhere to our low waste policy. The SHFM will be encouraging reducing, reusing, and recycling throughout the event. Vendors will not be allowed to use non-recyclable materials such as Styrofoam for public use.
