

# SPORTDECK™

CHAMPIONSHIP-TESTED

## Economical

SportDeck is a low-maintenance, low-cost solution that is ideal for facilities with limited budgets.

## Durability

Custom engineered design that outplays any modular surface in the game—from a company with over 40-years experience building game courts.

## Wet traction

Textured surface keeps you playing no matter the weather.

## Moisture resistance

Specialty grid design lets water drain creating long lasting and fast drying sports surface.

## Ball response

Textured surface provides great ball control for racquet sports.

Proud to be the official court of the most demanding athletes in the world.™

# Why SportDeck™

**USA-MADE QUALITY.** High-impact polypropylene suspended court is both engineered and manufactured at our Salt Lake City headquarters.

**DURABILITY.** UV stabilizers and patented formula keeps your outdoor court playable, even at surface temperatures of 185°F.

**LONGEVITY.** Retrofits over most hard surfaces and outlasts conventional acrylic surfaces.

**ENGINEERED TEXTURE.** Slows down ball bounce creating an responsive playing surface for racquet sports.
