

## SportLawn

SportLawn is the perfect solution for your backyard play areas, batting cages, and other recreational applications, such as bocce ball courts. Our high-quality line of turf products provides extra comfort and virtually no maintenance.

### SPIKE TURF

Spike Turf is an excellent choice for batting cages and other practice areas, especially where repetitive activity is expected. This durable, comfortable product provides a natural grass feel and lets your athletes focus on the task at hand.

### PLAY TURF

Create a safe, enjoyable turf playing field without the maintenance and expense of natural grass. Whether an elementary school playground, a practice area where overuse can damage natural grass, or just a durable backyard playspace that requires no water and very little care, Play Turf is the solution.

## EcoLawn

Transform any area of your yard into a maintenance-free oasis. Our natural-looking EcoLawn grasses will give you a beautiful green lawn year-round without using our precious natural resources – no water, no mowing, no fertilizers, no mud – and it's lead-free. EcoLawn is the perfect “green” solution for those who want a beautiful yard with less work and expense, while creating more time to do the things they love.

Our “Natural Blend” line of landscape grasses come in two colors, Olive and Spring Green, depending on your preference and climate. We also offer varying “weights” or fiber density, to give you the widest range of options for your yard and budget. Talk to your EcoLawn expert for direction on the best product for your home.

## Putting Greens

Sport Court's professional-grade putting greens deliver a true-golf look and feel right in your own backyard. Each green is custom-built by our network of trained professionals and constructed with the most beautiful, durable materials available, to withstand any climate and maintain its color and performance for many years of enjoyment. Lowering your handicap while spending quality time with your family has never been easier.

### EAGLE

Eagle is our premium golf green product, with the thickest weave of knitted nylon per square yard available in the industry. Its natural green color makes it an attractive complement to any yard, and the density of the fibers delivers consistent ball roll that will last for years. When the championship's on the line, always go for the Eagle.

### BIRDIE

Birdie is an excellent choice for the backyard putting green, delivering a quality ball roll and break at an affordable price. With 48 oz. of tufted nylon per square yard, your Birdie green will deliver years of quality service.

### PAR

Our Par turf is an excellent choice for the recreational backyard green, featuring a thick weave and foam pad for a real-grass feel. Perfect for beginners learning the game, Par turf is a durable and attractive addition to any backyard.

### FRINGE

Surround your putting green with a lush fringe turf for a real-grass look and feel that gives you an optimal place to practice the short chip shot. Made of tufted nylon with a reinforced root zone, the “blades” of grass stand up to continuous use without losing their realistic look.
