Request Inspection

Select the date you would like to have the inspection.
This is not guaranteed; this is a request to have it on this date.

Select the inspection type.

Previous Inspections or requests->

On scheduled or completed inspections: Pending = you already have this scheduled. Failed = this needs re-inspected. Passed = this is been completed already.

"Triggers" – Inspections that can't be requested until another inspection has been completed.

You must first pass one inspection before being allowed to request this one.

View Inspection Schedule

Click Inspection Schedule.

Anything still requested, **NOT SCHEDULED**, will show in the **builder requested** section.

These are REQUESTS, you will receive an email when they are scheduled, and they will move from requested to the date they were scheduled to below.

Anything scheduled will show below with a date.

This can change if schedules change. This is real-time and can be checked any time.

251 E 1200 S. Heber City, UT 84032
435-940-9636

Completed Inspections

You will receive an email upon a completed inspection.

This will have a copy of the inspection report and a link to the permit in the portal.

You can also login to your portal to access the inspection at any time.

Click on inspection details on your summary page to see a list of all inspections on your permit.
