2019 RAM 2500 – Command Vehicle

General Specifications

- Model: 2019 Ram 2500 4x4
- Cab Type: Crew Cab
- Mileage: 152,271
- Gas – Hemi
- Previous Use: Command Vehicle

History of Use

This particular RAM 2500 served as a battalion chief truck in a fire district. It was outfitted with emergency lights, communication equipment, and storage compartments for rapid response operations. The truck was maintained regularly and used primarily for supervisory and coordination roles during emergency incidents.

Current Condition

The truck is currently in good condition with moderate mileage. All emergency equipment has been removed, and the vehicle has been cleaned and serviced. It retains its rugged utility and is suitable for both work and recreational use.
