

On your computer

Go to EyeOnWater.com > under the blue Sign In bar, click Create Account. Enter your ZIP Code and your Alpine City account number. (Enter **ALL** the numbers, but **DO NOT** type the decimal point. Example: Account 387.2 is entered as 3872). Click Next and follow the prompts.

Verify email > go to your email, find the one from Eye On Water > click Verify My Email > then enable notifications with your email address. (Most people set 2 gallons as the hourly flow threshold, but it's up to you.)

Selecting your Water or PI Meter

After you log in, use the dropdown arrow under your address to click on a meter. Your culinary meter is the one with a "W" (for Water) after the Meter ID number. The other meter is for pressurized irrigation.

On your cell phone

Go to your app store > search for Eye On Water > Choose the one that says "Making Water Visible" with the blue water droplet. Get the app > Install app > Open > Sign Up > enter ZIP code > enter account number (Enter **ALL** the numbers, but DO NOT type the decimal point. Example: Account 387.2 is entered as 3872). Continue > Yes, that's me > Create account > enter email > create password > accept account terms.

Verify email > go to your email, find the one from Eye On Water > click Verify My Email > then enable notifications with your email address. (Most people set 2 gallons as the hourly flow threshold, but it's up to you.)

Selecting your Water or PI Meter

After you log in, use the dropdown arrow under your address (above the Usage section) to select a meter. Your culinary meter is the one with a "W" (for Water) after the Meter ID number. The other meter is for pressurized irrigation. Uncheck the meter you don't want to see, and click Done.
