Nothing of course, because the EU is as pure as a drop of the finest Rum Tropic. Why not run a field study and learn more about this strange political entity? And why not run it in Tropico, which is even famously ruled by corrupt politicians (except the President, of course)? Join the EU in their investigations into 'corruption' and open new powerful franchises in tropo 6's 'lobbyists'. Corruption lies at the heart of DLC. Invite faction leaders and lobbyists at the President's Club to conduct policy behind the scenes to unlock a unique new set of privileges to boost your economy and manipulate your faction ranking. But with increased pressure action comes increased corruption, which will affect the wider tropical economy and society. Anti-proliferation of corruption - or, let's be honest, just try to cover everything - using a new corruption agency. Enjoy more new content with two new themes, three new musical tracks, and a new set of customization elements to bring El Prez and The Palace. Features: • New Mechanic Play: Use lobby work to access new privileges to boost your economy while trying to balance the resulting corruption, which will destroy your island paradise with negative effects if left unchecked. • 3 new buildings: Get some dirty lobbying done at the President's Club, where statesmen can discuss state affairs in isolation and secrecy. Use the corruption agency to cover everything and invite faction leaders to stay in the official residence in exchange for political services. • 2 new features: Polarization, all for Folk • 3 new tracks: Viva La Corrupción, Fiesta at El Club, Bruselas está Bailando • 4 new customization options for El Prez and Palace as well as 3 new sandbox maps download it's time to play in major tournaments! The President descends on the world of global brands, a great time. Power in politics is never enough for a man with big ambitions like El Preez, so join the forces with the shady... A fully trusted broker who helped Tropico establish its position as a huge global brand exposing the secrets behind the broker's chubby master plan while trying to sabotage the U.S. finance market. In order to assert yourself, you will have to be a llama among the wolves. Well, something like that... New gaming mechanisms await, and commodity prices will now succumb to volatility and trends in the global market. Use new buildings such as the Institute of Commerce to play markets and manipulate export prices. Random events will pose an additional challenge, and you'll also find plenty of new content to dive into, such as new features, customization options and edits. Features: • New Independent Mission: Llama Wall Street - Enter the world of big business • New buildings: Trade Institute, Gaming Workshop and Smart Furniture Studio will help strengthen your economic strength • New gameplay mechanisms: Commodities are now subject to price fluctuations, trade effects and trends - affecting global markets using the Institute of Commerce to predict future trends and play in markets • New challenges will have random events and will have positive, negative or mixed effects on global market conditions, trade or production • New sand map : Acantilado Humeante • New decree, qualities and customization options for El Prez and your download palace is all about fame and prestige. No one knows this better than a self-proclaimed tyrant... A statesman like President Tropico 6 II DLC rises you in the world of stardom and morbidity. Interact with the stars using Spitter, the only SMS social networking app officially accredited by the Ministry of Modern Communications and Smoke Signals. Court the stars to gain their support, open their individual strengths, and in turn receive more respect and flattery from your subjects. But beware. Fame and money can also seriously attract some shady types... In the heart of DLC is the new Spitter Mechanic, which allows you to interact with celebrities and faction leaders to increase your standing. Use new buildings such as rehab center or beauty farm to attract celebrities and make them permanent citizens of Tropico. In addition, enjoy more new content with three new music tracks, additional customization elements and a new feature for El Prez. • New Spitter Social Media Feature: Interactwith Stars and Faction Leaders via Social App, To Increase Your Stature and Unlock New Special Features of Celebrities • New Mission and Sand Map • 3 New Buildings: Celebrities to Tropico By Building A Rehabilitation Center or Beauty Farm and Make Them Permanent Residents Using Super Villa • New Feature: Narcissus • 3 New Paths: Comercio Velez, La Selridd, Fiesta on El Club • 5 new customization options for Prez El and Palace \* MSRP : The manufacturer's proposed retail price.
