You can start on Earth and reach the moon and Mars. August 15, 2016 - Play The capitalist hacked in and unblocked. Join Adventure Capitalist Unblocked and Start Your Business Quest Now! The game does it. Rating: 3.8 out of 5 based on 33,576 votes Have you ever dreamed of being a millionaire? With AdVenture Capitalist, be ready to wake up to your coin-filled dreams with the sounds of money machine Ka-ching! Put your management skills in good use and take control of various companies to become a towering tycoon! Crack your knuckles and get ready to count all the money you're about to earn. Owned by the clicker genre, AdVenture Capitalist offers very simple and addictive gameplay mechanics. As a future millionaire, your goal is to earn as much money as possible. The journey of wealth is a modest start. You start small and on your own. There are 10 companies getting control, each offering different amounts of profit. As you earn money and grow, you can unlock upgrades and hire others to help you. Attract managers and investors to your many ventures. Each group brings concrete advantages to their businesses so try to unlock them all to discover these benefits! You can hire a manager for each of your companies. Managers work for you and collect profits automatically so you can focus on more important things. To use investors, you should sell all your businesses and start over. But don't worry! Angel investors are increasing their profits, so you'll be back to the top soon! The more companies you have the more money you can earn! If you have a company, you can increase the numbers by buying new stores. Spend your money carefully and try to maximize your profits! Challenge yourself and try to buy all the companies! As one of the best forces of capitalism simulators, AdVenture Capitalist keeps you in the air as you try to buy and upgrade every business. Play your money with your drivers to do all the boring paperwork for you! Don't forget to check out other skill games in our collection!
