So you're one of those people? Gameplay, as I mentioned, Dragon x Dragon is a city-building game, but with a more unique theme, it builds a dragon island. If you experience enough games for your phone, you will know that the gameplay of these games is not difficult. However, this game will have more special things because its content revolves around a lot of different dragons. Basically, your task in this game is to build shelters for each individual dragon. Yes, each dragon has a unique attribute, and they can only exist and thrive in a certain type of environment. If you don't have a place to live for them, you can't breed a creature, of course, every kind of environment you build can contain a limited number of dragons. And if you want to raise more dragons, then you need to upgrade this kind of building. In addition, to get

certain types of dragons, you will also need to breed them by having adult mate dragons and spawning eggs. You will need to hatch these eggs in the appropriate places so that they can become baby dragons. Surely you will think about how to make money in this game, and it is quite unique. For adult dragons, you can let them hunt for treasures and then return them to you, or you can take them to a tournament between dragons to earn some money. Battles can be up to 6 in the team and fought in on the turn based on style. Features Apart from exciting gameplay, Dragon x Dragon also brings us many unique features. It can be said that one of the most exciting features The game is the number of dragons that it brings. In this game, you can discover many different kinds of dragons by getting them through prizes or creating a cross between two dragons. In addition, this game is also You have many types of dwellings, and decorations for you to create a beautiful and interesting dragon island. Not only that, once you don't have the space to build a dragon house, you can still buy more islands if you accumulate enough funds. Overall, Dragon x Dragon has a lot of other features that I haven't told you guys. And if you like this game, you can download it to your phone right now to experience.
