Rate This Game: Jump King Free Download PC Game previously installed directly on the link. Jump King was released on May 3, 2019 Tactical Leaping Adventure – Jump King: There is a Smoking Hot Babe at the Top! A platforming challenge about fighting upwards to find the legendary Smoking Hot Babe! In this adventure you need to be alone, and jump technique main to reach the top. Just try to remember that there is a lesson to be learned every fall. Prepare for true high-quantity platforming where you need to use your mind for victory! Vertical adventure tension will increase with each jump, it can't even die! This is because a single unanswered jump can lead to a long drop, and once you have fallen you have to take it again yourself. The mechanics are simple: charge each jump height and keep the bounce free away! Despite its simplicity, it requires a lot of practice to master. You will have to think carefully about every situation before jumping, because once you are in the mood there is no way back! Jump in an engaging world and meet curious characters along the way. Hand-drawn backgrounds and different animations paint a rare picture, while a mix of retro sfx, beautiful arrangements and high-definition ambience provides a peculiar atmosphere thanks to composers/sound designers Nils Eklöf and Elias Thörlund. Do you have the guts to make that jump? The last hour has led to this point, now everything is at stake! Are you going to take that Babe? Are you going to reach the top? Do you think you have what it takes to beat this game!?
