Lep' s world 2 game download

Lep's World 2 is a game that deserves the attention of the game's fans. Intuitive gameplay and style similar to the biggest franchise of all time, Super Mario Bros., the game offers an amazing experience. With the free version, the title is only for devices on the iOS operating system. The paid edition is still a few more stages. The story of the game is this: everything is quiet village elves when a suddenly charged cloud takes the sky and from the inside a terrible witch encounters. The villain steals all the goblingold and then kidnaps the villagers. Lep, escapes the onslaught narrowly and must gather strength to save his friends and prevent the wizard from fulfilling the desire to rule the world. With stunning graphics complexity in the game on mobile devices, Lep's World 2 offers a unique experience. All enemies have a specific movement and have a well crafted appearance. The device is charming and refers to the whole fantasy atmosphere that the manufacturer wants to spend. Lep gameplay features very similar to Mario's own title. The character can jump and walk through the landscape to capture points and defeat enemies. Two buttons on the lower left side of the screen are moving the hero. The arrow up causes the dwarf to jump. The tree icon can capture enemies from afar. In total, 64 stages are divided into eight worlds on a variety of topics. Players can count on more than 10 abilities to take 13 different enemy types. Every world has a special boss with specific powers who must be defeated to keep the hero going in the campaign. Lep's World 2 is highly addictive and brings a great sense of nostalgia to the genre. If you are a fan of Super Mario Bros and do not know the adventures of Lep, do not waste time, start soon on this trip. FOLLOW US Page 2 TRACE US Open Mac App Store to buy and download apps. In the best style of Mario, help a friendly Irish man catch happy clovers and escape from monsterLep's World is a franchise platform game, in the best style of Super Mario, where you control a leprechaun named Lep, who according to Irish folklore is the elf guardian of the huge amount of gold that we find at the end of the rainbow. Another title in this series, Leps World 2, brings a narrative of what's going on on a beautiful sunny day for village elves, while Lep and his friends enjoyed a beautiful day of fun. Suddenly the sky darkens and lightning fills the sky: the demonic wizard appears, steals gold from little creatures, and robs all the inhabitants-except the LepO wizard intends to use the charm of elves to take over the world. Until the end of the rainbowSo, in addition to saving your friends and family, in this edition of your mission will continue to collect happy clovers and gold coins until you reach the end of the colorful tracks that adorn the sky. The problem is how you come across many monsters, deadly abysses, floating platforms, treacherous streams, among other obstacles. To defend against these enemies, you can jump on top of your head or you can shoot nuts at enemies. In total, Leps World 2 has 64 stages, divided into eight chapters of worlds that offer different scenarios. In addition, the title has received 10 new points and abilities and 13 different types of monsters. Monsters.
