WHITNEY NEAL STUDIOS The Dollar Dance (also known as the Money Dance) is an interactive part of the wedding reception when guests pay to dance with the bride and groom, giving them money to start their new life together. Some couples prefer to have their friends and family pine bills to the bride's dress or simply slip them a dollar or two, but having a traditional dollar dance is a way to make it a little more fun. There are two ways to address choosing the perfect song for dollar dancing. If you want to go with something naughty, try Material Girl by Madonna or Gold Digger by Kanye West. If you want to keep things sentimental, opt for songs by James Taylor, The Beatles, or Billy Joel. Before, I gathered the 65 best dance songs to sing at your wedding. 01 of 65 Love Lyrics: Do You Need Someone?/I Just Need Someone to Love 02 of 65 Love Lyrics: I Know I'll Be a Disaster / The Second That I See You 03 of 65 Love Lyrics: Because the Boy With Hard Cold Money / It's Always Mister Right 4 of 6 5 Lyrics of Love: I never thought through love/I make one as beautiful as her 05 of 65 Lyrics of love: There is nothing to me, but to love you/And the way you look tonight 06 of 65 Lyrics of love: Yes, I'm Thinking of Me / What a Wonderful World 07 of 65 Love Lyrics: And I Said I Need a Dollar , a dollar is what I need / And if I share with you my story you would share the dollar with me 08 of 65 Lyrics of Love: My wish, for you, is that this life gets all you want to / Your dreams stay great, Your worries remain small 09 of 65 Love Lyrics: The One You Should Call / Was Standing There All The Time 10 of 65 Love Lyrics: That's Not Working That's How You Do It / Money for Nothing and Your Chickens for Free 11 of 65 Love Lyrics: Is It Enough for This Restless Warrior / Just to Be With You 12 of 65 Love Lyrics: Where The Players Really At?
