CONDITIONAL USE PERMIT

PURPOSE

It is the purpose of a conditional use permit to allow flexibility in zoning, by permitting a discretionary review of a project or use that by its character may not be compatible with uses which are permitted in the zone, and allowing such use when it can be found to be compatible with the neighborhood in which it is located.

WHEN REQUIRED

The conditional use permit is primarily required whenever the Land Use Ordinance specifies the use as a conditional use. It is also used for other specified situations such as allowing building heights that exceed the maximum allowed within the zone.

APPROVAL STANDARDS (From Section 10-7-9 of Land Use Code)

To authorize a Conditional Use permit the Planning Commission at a public meeting must find that the evidence presented establishes:

- a) The proposed use will not be detrimental to the health, safety or general welfare of persons residing or working in the vicinity, or injurious to property or improvements in the vicinity.
- b) The proposed use of the particular location is necessary or desirable to provide a service or facility which will contribute to the general well-being of the neighborhood and the community.
- c) The proposed use will comply with regulations and conditions specified in Land Use Ordinance for such use.
- d) The Planning Commission may request additional information as may be reasonably needed to determine whether the requirements of this subsection can be met.

APPEALS

Any person shall have the right to appeal the decision to grant, grant with conditions or deny a conditional use permit. Such appeal shall be made to the Board of Adjustment which shall act as the "Appeal Authority" in that situation, pursuant to Utah Code Annotated section 10-9a-701. All appeals shall be made to the appeal authority within thirty (30) days of the date a "final decision" is rendered. For the purpose of this chapter, a "final decision" shall be deemed to be rendered when that body issues a written decision, which may include findings of fact and conclusions of law, if requested by the applicant.

Conditional Use Permit Standards for Review

Please provide responses to the following for the Commission's review:

- a. *The harmony and compliance of the proposed use with the objectives and requirements of the City's General Plan and the Land Use Code;*
- b. *The suitability of the specific property for the proposed use;*
- c. *The development or lack of development adjacent to the proposed site and the harmony of the proposed use with existing uses in the vicinity;*

- j. *The safeguards provided or proposed to prevent noxious or offensive emissions such as noise, glare, dust, pollutants and odor from the proposed facility or use;*
- k. *The safeguards provided or proposed to minimize other adverse effects from the proposed facility or use on persons or property in the area; and*
