Filipinos 4:13 We do not flood the market with only puppies for sale. Our islands are carefully planned, sometimes very long in advance. Gator Head Bullies is trying to produce the highest quality puppies from the most desirable XL Pitbull and Bully XL bloodlines in the world. The most important qualities for us in a breeding pair are health, and function, intelligence, energy level, breed type and of course temperament and stability - the beautiful appearance of our dogs is just a plus. California? Can we send your XL American bully and Pitbull puppy? Gator Head Bullies XL Bullies and XL Pitbull Puppies are available anywhere in California. If you are looking for bully puppies for sale, we have the highest quality XL puppies with size, mass, head, and temperament to fit nicely into any home and lifestyle. Contact us if you are interested in placing a deposit on a current or future breeding or available Gator Head Bullies XL Bully Puppy. California XL Bully and Pitbull Puppies Gator Head Bullies XL Bully Puppies are available everywhere CA, including Blackhawk Cities, Palos Verdes Estates, Orinda, Mill Valley, Woodside, and Alamo, CA Make sure in advance that the location allows you to own this massive Pit bully breed. This means checking your area for any license and registration required for your future pet Shipping your puppy to CA, even if you live in California, shipping may still be necessary to ensure proper delivery of your dog. You will also be able to get your bully XL puppy in person if you choose to make the car or flight. For those who require shipping to CA, Gator Head Bullies would be happy to create puppy shipping for you at your expense; However, keep in mind that shipping is an option and is not mandatory. Shipping can be carried out from airports such as FSD, RAP, ABR, PIR and ATY. Or you can find a nice reliable sender to send your puppies from California to your location.
