Tubbo and jschlatt fanart

now I know that the father makes schlatt au power and most have ppl tubbo as his organic child, but I lift u, bean trees au. He's just getting a baby at a gas station at 3am while he's either still drunk or very hungry and instead of doing something sensible, like contacting the authorities or trying to return the child, he's just like Fuck. Shit. I'm a father now. This au is so damn funny. Phil and smiles forced to interact with bc their children (Tommy and tubbo), Phil is inseparable from seeing how much sloppy fights (i.e. single broke dad struggling w addiction but still doing his bes) and en-at taking them in bc he keeps accidentally adopting people and that trend continues. And they end coparenting (COMPLETELY PLATONIC, but schlatt makes absolutely jokes abt, how gay it is) Thinks about Safehouse times... (rec listen: slow through the total)Let yourself be struck by a certain pose of an animatic from @3sides1eye and then this idk scene came from this fic of @tibidecet bc's hit Different!!!
