Tik tok par video banane wala app download

First, you download play store toTik-tok Application Tiktok #musically how to update the name date of birth sex language online Aadhaar card? How to update the name date sex language online Aadhaar card? Once the app is downloaded to your mobile phone, sign in to the app and you can sign in with one of the following things. 1.3.Email 4.Mobile number will now become your Tik-Tok ID via Facebook 2.Instragram Now the video page will now open with different people showing the video you can also do it 1-follow+,2-like❤, 3-comment, save . On the other hand, you can also duet the last 4 settings option in the video below, it comes with the option Duet, you can do Duet Video with anyone. On the other hand, you can also add any video 5 song to your favorite list by clicking CDPAY you can go straight to this song and make your video you can also share your video directly with the settings option to pay Jake is shown in the image below. Add new members to your total online ID and update. the online samagra id me samagra portal it is not sadshy kese joden or update kese karen you click on the option + pay to make your first Tik toquedio as soon as you click + pay. The camera will open if you need to make a vedio from the front camera, change the camera. Or if you want to build a tiktok on the other side of your vedio Open the rear camera. Now you can also download your existing vedio with the tiktok effect as described below. The first option is to slow down the 1.front side back camera 2.video to slow down the (0.1×, 0.5×) fast forward (2×.3×) option 3.beauty effect off. 4.You can use a different filter here. 5.Timer 3 can create a video by setting another 6.If you already have a video, you can also download and add the Tik-Tok effect to it and make a new video 7.Here you will make a video, but here you will hold the video button in the option and delete the video button as soon as you delete the video button. 8. From here, you can use various effects in your video. Below. 9. You need to add this salary by selecting music that you can also use from your favorite song list. How to make a PAN card online? How to create a panning card online? When you create your first Tik-Tok video, click on the next page is also the video effect and cover page that you want to create for the video cover page. is also a song cutting option. A side vocal mixer is also an option. Now that you have clicked on #tags you need to type on your terrace and then select the option below. Who can watch my video that you want to show your video, select 2.comment on/select your video. Away at 3:00. Turn off duet/select reacts, then you need to put it in a video sketch or you can post the video है । आप भी अब अपना Tik-Tok vedio बना व्हाट्सएप, फेसबुक , इंस्टाग्राम शेयर कर सकते बिना । 9apps only tok
