

TEMPLATES DENIM FLOWER

PS-010-00039

- Cut out templates. Use to trace and cut out of denim.
- Cut slit in the bottom edge of each petal. Glue A onto B.
- Curl each petal.
- Glue petals to the circle. Glue petal 1 around edge of circle. Glue petal 2 overlapping, working toward the middle. Repeat.
- Cut 1" x 7" strip of denim.
- Make slits every ¼" inch along the long edge of the strip.
- Roll the strip and glue.
- Curl the slits out.
- Glue rolled strip to the center of the flower.
- Glue leaves to the back of the flower.
