Oh - myslím, e už to není tajemství ... + 42 položek pro vytvoření dokonalého stroje: motory, křídla, ventilátory, světlice, deštníky, balónky a mnoho dalšího! Piggies HD Bad - Great game from developer Rovio Mobile Ltd. The game completely changed drastically. Now we have a duty to secure the pig and try to keep all the strength of the eggs! The goal of this game is that you are in front of each of the levels you need to build vehicles without restrictions, as we please with restrictions immersed in physics, that our vehicle is not scattered and reached checkpoints. The game has sixty levels . The game seems easy, but then with increasing the level it will be quite difficult to sobrt vehicles! Supported Android (4.1 and up) Ice Cream Sandwich (4.0 - 4.0.4),Jelly Bean (4.1 - 4.3.1), KitKat (4.4 - 4.4.4), Lollipop (5.0 - 5.1.1), Marshmlow (6.0 - 6.0.1), Nougat (7.0 - 7.1.1), Oreo (8.0-8.1), Pie (9.0) Bad Piggies HD [Unlimited Powerups] From the Creators of Angry Birds: an all-new game from a PIGS perspective! Create the ultimate flying/crawling/rolling/spinning/crashing device and pilot pigs safely to eggs! The Bad are following the eggs again – but as usual, nothing happens according to plan! Can you create a final flying machine and drive them safely to your destination? These tough pigs have some objects that they can use, but they need your help to turn them into the perfect transport! With over 60 levels, and free updates coming up, you have hours and hours of pig crashing, exploding, and flying fun! Get three stars in each level to unlock another 30 puzzles! TIP: Sometimes you need to play the level several times to achieve all the goals - try to build a new device or steering another way to earn all the stars! اللعبة: اللعب: قراءة المزيد معلومات إضافية على جوجل اللعب:
