Whoever is registered and logged in to the user. What should I share? Please share pictures that will help other visitors. For example: pictures that highlight the features of an article (here are controls on this music player, Hold for this necklace , look at the box coming in it) pictures show someone using a product (here I am wearing this scarf, here ink cartos installed) pictures related to a topic (my dog captain, a great organization, our family in Pilaston, how to make a chair gull using a cabinet check-up) pictures how to make a product Shows ( I took her picture with this camera, this shirt shrinks in wash, a post-saw blade bites 100) pictures that give a sense of product size (this refrigerator is actually 6' tall, cellphone sized a credit card) add captions to your photos. Also, you can use the image note feature to highlight one or more interesting areas in your picture. Everyone will see your notes when they roll over your picture. What should I not share? Behave as if you were a guest at a friend's dinner party: please treat the Prime Minister's globally-based community with respect. Don't share: indestruction, pornography, or erasialo images, or any images with images of nudity that do not own your phone number, mail address, or images of intellectual property rights of the url property. You can watermark a picture with copyright information. The features of the images feature features availability, price, or alternative order/shipping information pictures featuring any personal information about children under external websites, competition, or other incentives that contain images with automobile license plates that are prominently and easily read (images with license plates that are fuzzed out or otherwise cannot be read). The same instructions apply to your captions and notes. Image formats and sizes are supported? We support JPEG, GIF and PGN images. Files must not be more than 1MB. The picture height must be between both and the picture width of 60 and 3500 pixels. Instead of uploading a picture. can I just enter a link in a picture? No, all pictures should be uploaded for Prime Polishing. This ensures that your picture is always available. How long does it take to upload a picture? The time differs in terms of the speed of your internet connection and the size of the picture file. For a 400KB image, for example, you should expect 2 to 4 minutes on a 56KB modem and under 1 minute for DSL or cable modem. Where will my picture appear? Usually your picture will show you'll upload it: Article Picture Gallery in the Gallery. What pictures do you own uploaded in? The image rights owner continues to own the image; Uploading your picture to Azam's Appising does not transfer ownership. Close
