Andro-Mod » Games » Mod » Zombie 3D Gun Shooter-Real Survival Warfare (MOD, Unlimited Money) Zombie 3D Gun Shooter-Real Survival Warfare - a military-tactical action movie with a gloomy post-apocalyptic atmosphere, large-scale Counter-Strike-style locations and an impressive collection of competitive modes centered around fighting upcoming zombie crowds. The war has been going on for a long time, but it is not known whether humanity will soon turn away from the disease and whether there is a cure for the virus. And therefore, the main character, together with allies, will have to clean the world with his own hands, using the found equipment. Well, in addition to saving the universe in Zombie 3D Gun Shooter-Real Survival Warfare, there is also room for leaderboards, achievements and a special workshop where every gun, machine gun and even cold weapon can be easily changed and upgraded. The zombie virus is out of control! Evolving zombies are attacking the world! You are a well-trained special forces commando and your mission is to fight zombies. globe.features \* Realistic 3D graphics and cool animations \* Scary zombie models \* Easy game and smooth control \* Weapons: rifles, pistols, snipers, automatic rifles, shotguns, grenades! \* Excellent optimization even for weak devices! FOLLOW US Page 2 FOLLOW US Open on the Mac App Store to buy and download apps. Armies of mindless zombies take over the world! Get up and fight the undead hordes of brain-hungry zombies. These disgusting monsters crave the sweet taste of human brains, but only feed them with hot lead. Our Zombie game has all the blood, guts, gore and glory you may ever want! Zombie 3D Gun Shooter is as you'd expect – a bloodthirsty 3D first person shooter game in which you must fight the wave after a wave of deadly and realistic-looking zombies. You have to survive one wave at a time - each wave depicts more zombies and they become harder to kill. You are a man of survival, and use your gun in your hand to overcome the bloody path! This free shooter and especially is one of the offline games, let's download it for free and be a legend, kill all the crazy and save the world! Now you can experience an attractive zombie shooting game. This would be the best zombie game ever, we always want to hear from you, your feedback is the motivation for us to create a good offline game and make it better every day! September 25, 2020 version 1.1.0 v1.1.0- Main map & weapon rebalance!- Various optimization fixes- Minor bug fixes Don't forget to give 5 stars to entice us, more updates on the way! Ok first of all I admire this game. It gives you a little buddy and guns ... THEY ARE AMAZING. Of course, graphics is not it, but still, it is beautiful. I want to add new guns like a revolver or something like that, but that's how I like it! There are too many but this is a very funny developer, Sallie Crocker, has not provided details about his privacy practices and data handling to Apple. For more information, see your privacy policy. The developer will need to provide privacy details when submitting the next app update. MOD: 1. GOD MODE 2. STUPID ENEMY 3. NO ADS Google Play More Games / Apps More Games / Apps Zombie 3D Gun Shooter is a tactical and military action game that is characterized by a post-apocalyptic atmosphere. The game is offered by Fun Shooting Games, and gives users a unique gaming experience. What is amazing about the game is that there are so many amazing and realistic features it offers. It is worth mentioning that it focuses in a large place and uses the counter-strike style. There are also some impressive in-game modes, all of which are competitive. The main center of the game consists in fighting crowds of zombies. In this game, zombies quickly evolve, and if nothing is done, they will take over the entire universe. Therefore, you need to act quickly in others to prevent this. It is important to remember that you are a trained special forces commando. In addition, your main task in this game is to fight as many zombies as you can and kill them all. Another thing to look out for is that it is a battle survival and assassination game. Therefore, the need to kill your opposition cannot be overestimated. To increase the battle experience, the game has a crazy Includes all combat weapons that you would have to fight and From these zombies to complete the doom. You can choose any weapon from this arsenal and kill all walking corpses. Enter the most terrifying environment in the world to kill these zombies with weapons. It is worth mentioning that the war with these zombies will be for a while. This is because of the way the zombie virus is constantly spreading. What is uncertain is whether a cure for the virus will soon be discovered. Moreover, no one knows if this will be the end of humanity. As the main character of the game, you want to create allies to wipe the world from these creatures. This is achievable with your allies and with the equipment you find in your quest. Some of the amazing things that the game offers are leaderboards, a special workshop, and various achievements. In this special workshop you will find weapons such as machine guns, pistols and other cold weapons. You can also upgrade and upgrade these weapons in a special workshop. Amazing features Here are some of the amazing features that you can enjoy while playing Zombie 3D Gun Shooter: Easy gameplay with smooth control Cool animations and realistic 3D graphics and sound scary zombie models Excellent optimization that increases usage on all kinds of devices Weapons include snipers, pistols, grenades, shotguns and other types of weapons. You can find more after downloading the game for yourself. Zombie 3D Gun Shooter Download As mentioned above, the original version of the game offers so many amazing features for improving your gaming experience. A more improved game experience can be gained with a modified version of the game. This is because it offers improved and advanced features. The goal of this is to make everything smooth and much easier for gamers. Here are some of the features that you can enjoy in the modified version: Unlimited Gold Unlimited Money Dumb enemies Mode God No Ads Request Download the latest version of Zombie 3D Gun Shooter if you want to enjoy all these features. Enter the game and join forces with a crowd of zombies to ensure that the human race is not erased from existence. We believe that you have the power to protect all mankind. Zombie 3D Gun Shooter- Real Survival Warfare - action-shooter, where players will meet face to face with countless hordes of zombies that now rule this world. Despite the risk the main character are waiting at every step must perform tasks that can help save more lives. So arming better, and when turned off on one of the prepared layers. Accuracy, speed, coolness, accounting rounds remaining in reserve and other useful features in such conditions will help them cope with all the difficulties and deadly that stand in their way.
