The latest My Talking Tom update for Android promises countless surprises that are waiting for you to discover. Have you always wanted a kitten? Then don't be afraid to adopt Tom! Take care of it - feed, play and live it from cute cat to adult. There are no best virtual pets in this market. Specifically, the game also has a great mini game that will help you have fun! Talking Tom isn't Outfit7's only virtual pet app. If you love femininity, rhythmic, you can download My Talking Angela. Mini Game: Become the top scorer. Sportswear: Poke Tom to see what happens when he wears it. Beans Power: You can guess what happens to Tom when he eats all these beans. Discover a special gift for my Talking Tom players with this Christmas version. Join the Christmas adventure and welcome to the New Year with cat Tom. New Fire Uniform Dragon Head Helmet: When wearing it, Tom the cat can exhale fire like a real dragon Get Diamonds: Join a mini-game to open the reservoir with brilliant rewards Unlike human parody games - a series of Talking Tom and Friends of the OutFit7 operator in which a player will say the longer animals will repeat their own statements with a funny, funny voice, My Talking Tom for Android opens wider , a more comprehensive interactive experience with cute cat Tom, directly on your Android smartphone and tablet. Designed specifically for users who love pets, animals or children, My Talking Tom allows players to raise a kitten on their own and is called Tom. Your task is simple enough, feed Tom, play with your uncle and bring up so that from a funny kitten, Tom will become a mature and intelligent cat. Tom the cat in My Tom became very familiar with the lover of syming games, animal lovers. Let's hope outfit7 will launch more mini-games next time, more costumes for Tom's Cats. At My Talking Tom for Android, players also have the ability to experiment with different fashion styles for Tom's cats, forcing costumes in any way you like choosing from a diverse collection of colours hats and sunglasses. In addition, you can decorate the house of this cute cat so that they become a cozy space. Having fun with funny Tom has never been so much fun! See how they become part of your daily life! The original Talking Tom app has been downloaded more than 500 million times and reached No 1 in 140 different countries around the world. The main feature of my talking tom game for Android Bring up Tom's own cat: play games with cats, feed cats the food you love, put them to sleep on time... Enjoy real emotions like in real life: My Tom can be happy, hungry, sleepy or boring... Tom's feelings always change depending on how you interact with him. Unleash your creativity: create your own Tom cat model and unlike any prototype by choosing from 1,000 ways to coordinate indoor accessories, dresses and furniture. Interact with Cat Tom: Chat and Tom will repeat everything you say. Click, punch and pocept Tom and watch his interesting reaction. Video recording: Players can record their own Talking Tom cat videos and share them with other friends and players in the community. Play 10 addictive mini-games: Happy Connect, Bubble Shooter, Planet Hop and many others. Earn lots of gold coins and enjoy exciting relaxation moments. Visit my Talking Tom House friends and other players: admire the beautiful apartments and look for Tom's other cats, explore the treasure and win lots of gold coins. Get rewarded while reaching a higher level: Help Tom the cat overcome 9 different challenges and over 999 levels to unlock new items as well as raise a lot of money. My Talking Tom is a PRIVO certified. This means that outfi7 app developers are guaranteed to keep their personal information safe. My Talking Volume does not allow unauthorised information sharing. My Talking Tom also includes advertising its products, linking customers to the developer's website and other apps; Connect players with friends via social media; Watch videos of Outfit7 cartoon characters via YouTube; personalize content for peer-reviewed use; the possibility of using IAP plans; items at different prices, depending on the current level of the player; the ability to access all the features of the program without having to pay real money to experience it. Review of the virtual game cat My Talking Tom for Android We can say that My Talking Tom is an attractive game that is suitable for many ages with simple gameplay, beautiful graphics and especially the protagonist of cat My Tom knows how to express emotions like a real cat. Benefits Of Easy To Play, easy to control educational and suitable for many ages Tom cats know how to emulate and parody people with cute voices Many attractive mini-games Clothes, dishes and food rich for cats Tom Game supports many lives, including low profile machines Cons Some items still require purchase with real money Asymlessly advanced player between platforms Many ads appear when the network 3G or Wi-Fi Anh Anh
