Bubble Bliss - Baby Bubble Game is in the category of Casual. You can check out all the apps from the developer of Bubble Bliss - Baby Bubble Game and find 86 alternative apps for Bubble Bliss - Baby Bubble Game on Android. Currently this app is free. This app can be downloaded on Android 4.0+ on APKFab or Google Play. All APK/XAPK files in APKFab.com are original and 100% safe with fast download. Bubble Bliss is a bubble game for your baby or toddler. There are 4 unique themes with different backgrounds and music. Jay Man Music: Bubble Bliss - Baby Bubble Game 1.05 Update Download Bubble Bliss XL to Remove Interstices Read More © 1996-2015, Amazon.com, Inc. or your Pop Bubbles affiliates with your baby! When first played, your baby may not be able to accurately touch the moving bubbles with his hand. Play the game with your baby consistently for a few days or weeks, and you will be surprised at the mobile development of your baby's hands. This game should be played in the presence of a parent, and is encouraged for you to guide your baby through the game at the beginning. When to play! - When your baby is angry or does not stop crying, playing this app can hold your baby's attention. (The various sounds, animated animals and vibration stimulate your baby's curiosity.) - This application can show better results than rattles or dolls. - This application is exceptionally useful for parents who spend a lot of time with their babies but can't figure out how to fill that time usefully. This app can be very advanced for babies under 12 months.- Beware - Play the app for an excessive time or leave children alone with the device is not encouraged. - Be careful with the injury due to the device's fall. (Place the device on a flat surface or hold it in your hand.) Keep the device away from your eyes. - Babies tend to unconsciously press the home button on the device during playback. As this can lead to your baby changing the settings on your device, please do not leave your baby alone with your device. No product specifications are available.
