## Retrograde october 2020 pisces

Mars's retrograde movement moves in its own sign Aries on Pisces on October 4, 2020 at 10:06 am and will be direct on November 14 at 6:06 am. He will then move to kos, his own ticket, on December 24, 2020. So Mars remains in an encyclical spanning the entire 81 days. Let's see the results that this transit brings to all zodiac signs- Ask a question from our expert astrologer & Get Solution To Life Problems Read the Hindi: वक्रों 2008 का on 0.000 000 000 Aries natives, mars is in retrograde position moving to the ascendant house, where he was in a strong position to make twelfth house spending and trips abroad. This transit indicates that there will be health problems that could come into the reckoning. These health problems when not treated properly can lead to unnecessary spending, thus leading to stress and mental worries in the process. This position on Mars directly links the siblings' third house and the seventh house of relationships and the spouse. This indicates that there will be issues that have not previously been included in his termination and have surfaced during transit. So, it's a very good time to take them into account and try to make amends for your relationships. Professionally,

you will face some problems regarding the implementation of your plans and policies, which can sometimes make you nervous in the process. This can result in pessimism, negativity and doubts about your own abilities, which can further exacerbate your problems. So, you have to understand one thing, this transit is here to make you more patient and vigilant. This will give you the chance and the time to learn from your mistakes and then plan accordingly if your transit is favorable to you. Remedy- Chanting Hanuman Chalisa will produce favorable results. Mars in the retrograde position passing through the eleventh house of success and profit brings favorable results. Costs are slow to begin converting gains at this favorable time. Relationships will be a new found energy and slowly move towards a calm state. This will help you maintain a stable level of concentration in your professional tasks and endeavors and achieve the right recognition and recognition for your efforts. However, sometimes you feel invincible, which makes your tasks or projects more than necessary, which can cause unnecessary pressure. You have to understand that this transit is here to better align with his main mission in his life. Thus, managing one task at a time will help improve efficiency. In transit, you can be a little stubborn and self absorbed in nature and put to blame by subordinates or friends for failure. But you have to understand that tasks and goals can only be achieved through teamwork. if you keep your team with you, you can achieve your tasks with great efficiency. Remedy-Worship Lord Kartikeya on Tuesday. The best career guide-CogniAstro report on the transit of Mars retrograde moves to the tenth house of career and profession Gemini natives. The financial sector will remain immobile, as the main focus will now be on how things can be done in a more practiced way, rather than realizing its desires and ambitions. You will face challenges and competition, and the enemy will not leave stones unverted to get you down. This can result in a feeling of insecurity and fear of losing, which can spice up aggression and a tendency to control the situation. It can further exacerbate negative results in both personal and professional life. At this time, you can not afford any confrontations and conflicts. Instead, direct energy to increase productivity. It's transit here to understand that there's nothing wrong with falling off and it's a part of the process, but how quickly you can get up and try again shows real flexible strength and strength. The main focus of this period will be on your career, so you may have to face some good and good relationships. Instead of taking all the responsibility of your partner to make your relationship better, clear the communication with your spouse or partner about the things that you face. This will help you avoid misunderstandings and bring you together. Students preparing for competitions will find positive results during this period. In the health part, spoiling any kind of physical activity is likely to help in sanitation of energy in a positive direction and keep stress and mental tension at bay. Remedy-Fasting on Tuesday is likely to produce better results. Mars in the retrograde position moves to the ninth house, which is higher education and luck. This indicates that it will be difficult to implement the plans even if you are ready to reassess or modify them. That's because Mars is passing through its twelfth house from its titikuly house. So, be patient and let things happen at your own pace rather than push or force them. This is the right period to improve your skills, which will help you set the right foundation for the future. Taking advice from seniors or senior management will be very useful during this period. However, being a sign of cancer, pride can sometimes take over for you and prevent you from taking them. But you have to understand that in order to grow, you need to let go of the ego and look at the bigger picture. Try to avoid making any travel during this period as these can result in unnecessary expenses and losses. Do not do anything that violates the law or the government, especially tax return on time. Otherwise, you will probably face many problems. Personally, there may be certain ups and downs in your relationships as you will find yourself with short words to express your true feelings to your partner. Because of this, you may think that not leaving them in your life and taking the relationship for granted. So, make sure you spend quality time with them, which will help you to improve your relationship and lead them in the direction you want. Higher education students need to focus a little harder during transit if they want to achieve good results. As for health, no major worries are indicated, but if you have a history of B.P., or any blood-related problems, then you need to be aware and careful during this transit. Remedy-Wear Red Coral on the right ring finger look gold (about 6cts.) on Tuesday. The retrograde Mars moves in the house of transformation and uncertainty of the house of luck and fortune. Professionally, your endeavors can hit a dead end, which can make your confidence even get shaken, making you feel nervous and nervous. However, this transit is here to understand that sometimes it's good to stop and look back at where you started your journey and where you are now headed. So, it's a good time to get inward and learn from past mistakes rather than adjustments that will help you achieve beneficial results in the future. Having faith in a potential and positive approach is essential to meet this transit. Don't rely on loans, liabilities and other people's resources during this period as you'll end up being disappointed. Rather, try to maneuver the resources that are at your disposal until the time when you are clear in terms of moving forward. On the personal front, health, parents can be a cause for concern and anxiety. As for personal relationships, this is the best time to revive your relationship with your spouse or partner. So, try to spend as much quality time with them and take them to your favorite places. Health parts remain a little fragile during this transit. You may face some stomach and acidity issues, so keeping your eating habits and dietary patterns under control is extremely important. Inculcating yoga, meditation and proper sleep routine will do wonders for improving health. Remedy-Offering sindoor Lord Hanuman on Tuesday brings positive results. The Virgin natives, you have to divert efforts in the right direction in order to achieve favorable results as Mars passes through the Seventh House of vocation, partnership and spouse. This transit can be seen to face good and good and huge turbulence in the professional arena or labor. This can lead you to make hasty decisions and entice you to give up the things that career path. So, be patient and analyze each situation before you take a step forward. If you have a partnership with the business, the period can result in clashes and arguments. So, instead of getting involved, try to show respect to your partner and work out the best possible solution with them to solve the problem. On the part of finances, since Mars has a direct aspect of the second house, your pockets and savings may be shrinking a little. Therefore, proper management of funds and resources is a priority. Personally, you may have to face some problems in relationships as you may feel insecure and doubts can cripple your mindset. Because of this, there may be a tendency to control and dominate your partner, which can play spoilsport between you. So giving space and freedom to your partner helps a lot in terms of giving relationships a new dimension. Remedy-donating copper on Tuesday will produce favorable results. Is there wealth in the future? Order your Raj Yoga Report now! This transit from Mars retrograde to the sixth house of competition and obstacles provide you with very high competitive energy. Professionally, this energy will help you overcome obstacles and obstacles in your work area with ease, which will give you an edge over your competitors. Mars will be a consideration of the house of its own or personality, which will give the warrior and firm approach will be successful. Sometimes, however, you can try to do things or change things that are unattainable, which can result in your energy exhaustion. So, be wise and put your energy only to tasks that lead to professional growth. Financially, if you plan to pay off your debts and outstanding loans, then this is a very good time. However, don't loan anyone money as it might be hard to recover it afterwards. Personally, since Mars moves from the seventh house to the sixth house of diseases, it indicates that the health of the partner can remain a little fragile during this period. So, try to spend as much quality time with them as possible. Healthwise, if you have been bothered with the disease or disease for a long time, then this phase will help you to fully recover from that disease. Remedy-Praying Lord Narsimha on Tuesday brings favorable results. The Scorpion natives are home to Mars in the fifth house of reason and design of the retrograde movement. Professionally, this Mars position indicates that you need to be prepared to make a lot of effort without expecting any results in the deal. Consider playing darts as if you're throwing a number of darts towards the bull's eye, then at least some of them will hit you. It is also a period to advance the old belief system that may have lasted a long time in the right direction. It's not a period to put all your eggs in one basket, but to try to make small amounts of money from different businesses that have favorable results for you in the long run. Personally, you can be a little annoyed and easily irritated during this period, which can play spoilsport in terms of relationships. So, keeping your temper at heart in relationships is of paramount importance. However, if you are married, then the behavior of your kids can become a cause of concern for you sometimes. You may act stiff and you may end up having differences of opinion with them. But instead of forcing them to do anything, try to set an example for them about how things can be done in a better way. However, this is a very favorable period for students pursuing higher studies in Healthwise, with some issues around the abdominal region also starting to bother, especially those associated with stomach and acid problems. So, try to stay away from fried and junk food during this period. Remedy- Wear red coral on the right ring finger (5-6cts.). The situation of retrograde Mars in the fourth house of the interior, home and comfort can cause some unease and anxiety. You may feel frustrated, caged, and want to break away from any birth. This can result in decisions being made in a hurry, which can result in losses. So, be patient and try to make decisions after properly considering the pros and cons of each situation. Financially, you may want to renovate your home and property, which can result in usage for more money than you expected. This can cause some unnecessary stress and worries. So, managing your finances properly is extremely important during this period. Personally, since Mars is having an aspect of the house of marriage and relationships, you can create some temperamental differences in your relationships. So, spending quality time with each other is a prerequisite. In the health section, problems related to blood like PC etc may disturb you during this period. So, keeping control of your eating habits and spoiling your physical activities is essential in this time frame. Remedy-Recitation Hanuman Chalisa will produce favorable results. Know Detailed Life Predictions: Order Brihat Horoscope Report The transit of retrograde Mars in the third house of courage, courage and effort brings favorable results to Capricorn natives. Professionally, you may think that such tasks and aspirations that were not convenient to consider earlier. Your confidence will increase and you should not hesitate to make efforts to achieve your goals and ambitions. If you work in the field of athletics and sports, you may see opportunities increase to showcase your potential and talents. However, the mother's health may be reduced and the siblings may also feel that You don't put in their needs, which can leave them out of you. You may have transferred some job opportunities during this time, for which you tried earlier, but due to certain circumstances it did not materialize. In personal relationships, this situation on Mars will make you the romantic and sensual best, and you will be prepared to do anything for your partner. This will probably help you take your relationship to the next level. Overall, a very good transit that will provide you with a platform to fulfill each desire and help you achieve each goal. But at this time duration, that small and sustained effort would help realize your goals much faster than putting all your energy into making a big shot. Remedy- Ressale Angaraka Stotram with devotion. What does Shani have in store for you? Learn With Shani Report Financial measures should be taken after properly weighing the pros and cons during the transit of retrograde Mars aquarius natives in the second house. During this period, the main focus is on how to properly use the resources available to the optimal level. This period requires you to avoid impulsive purchases. Rather, a well-thought-out plan or budget is needed to secure you and your family's future. On the personal front, Mars's retrograde movement can make you hard speech-wise, which can create some bitterness in the relationships between you and your loved ones. So, you'd better watch your words before you talk. In the health part, stay away from foods that are hard to digest otherwise you'll face problems related to teeth and stomach. Remedy-Reciting Rinn Mochak Mangal Stotra will be favorable to Aquarius natives. The position of retrograde Mars in the first house of personality will produce poor results for pisces natives. This indicates that even after full use of resources and opportunities, it can be difficult to achieve results. There may be unnecessary delays in all procedures. Everything may seem to lead anywhere in a stationary mode. It ends up so frustrated, which you can vent to family members and loved ones. This can lead to a lot of problems or disruptions in family and relationships. The best part to do in this through is to keep your calm and not push hard for things to happen. Rather, relax and trust the process of life. On the health front, because Mars is a fiery planet and passes through the first house, it can cause dryness in your skin. So, drink plenty of water to stay hydrated and hydrate yourself properly. Inculcating meditation and physical exercises will help you move your energy in a positive direction. Do not enter any conflicts and confrontations as there is a chance that you will be injured or injured in the process. Safe and careful driving is another thing you need to do in Remedy- Apply sandalwood or Chandan tilak on your forehead daily. Daily.
