strip of sunset. Let's take a trip back to 2005. Back then, The British Andy McKay and Dawn Hindle had already built a formidable reputation on the island after creating the legendary Manumission party at Club Ku (now known as Privilege). McKay believed there was a gap in the market for 20-somethings who wanted to come to Ibiza to experience more than just a DJ set. The couple had a small seat in San Antonio and for the next three summer seasons booked likekabian, Babyshambles, Artic Monkeys and The Kaiser Chiefs perform. The Ibiza Rocks brand was alive. After three successful seasons, an opportunity arose to buy the family hotel Club Paradiso Mediterraneo right on the way, close to the strip of sunset. In this sense, it has become renamed As Ibiza Rocks Hotel, which remains the location where you can find their daily poolside parties throughout the summer. Ibiza Rocks Group still holds its original place in the bay, now called Ibiza Rocks Dier. The group also owns other hotels in Ibiza and Mallorca, including the legendary Pikes Hotel. Ibiza Rocks Hotel is located in the heart of San Antonio, a tainthrow from the sunset strip. The hotel's 368 rooms are located on 4 floors overlooking the main courtyard, the stage and the pool. Daily pool parties usually take place from 2 to 9 p.m., with varying scene configurations, depending on the party that day. Hotel guests get access to daily parties, so you can expect both the dance floor and the balconies above to be packed, no matter where you look. Ibiza Rocks uses a VOID sound system, the same company that provides sound for DC10 and Eden. Staying at Ibiza Rocks while in Ibiza? Call ahead and make sure you request a room with a great view of the stage. Remember, you will have free access to all Ibiza Rocks parties if you are a guest at the hotel. You can expect the likes of Craig David and Stormzy to throw some of the biggest pool parties on the island, with an emphasis on good times while pretentiousness gets left at the door. In 2020, Craig David, Rudimental, Lovely Laura & Entering to Ibiza Rocks and renew their residences. Cuckoo Land will also be back with resident Sonny Fodera hosting each party. Meanwhile, DJ EZ plays four meetings in June with his Nuvolve pool parties. But then... It happened its doors in 2020, but will abide by the rules of social distancing. This means no dancefloor, table service only, and a more laidback vibe than usual. We are sure that there will be a more coming from Ibiza Rocks in 2021...
