Park City. The collection dates will remain the same for
most Hyde Park residents.

If you (Residents) have any questions about the billing or
service please call Hyde Park City 435-563-6507. Commer-
cial customers , please contact Waste Management directly.

Message From Mayor Cox

We're in the election season and will be voting to fill 3 City Council seats in November. Some of the best parts of Hyde Park City government is: getting residents involved in community, the City Council positions are nonpartisan, just good people trying to do good in the community. From my perspective, it's mentally stressful, emotionally challenging, and just flat out scary at times to put yourself out in the public eye to run for election. I applaud all that would do that and be willing to serve our community.

There are many things you may want to ask candidates about. What do they think are the challenges facing the city? Will they listen and learn about topics? Do they over promise, under deliver? Do they treat others with respect? Will they represent Hyde Park City with integrity? Since Hyde Park cannot stop growth (Law) and should therefore plan for it, what are the candidate's views on growth, trails, parks, roads, infrastructure, facilities and functions, police, and fire department. Additionally, we have been creating the longer-term strategic plans for our city to include Stormwater Master Plan, Transportation Master Plan, Water Master Plan, (future plans) parks, trails and economic Master Plans.

I encourage you to make every effort to educate yourself on the candidates. While I don't know all the candidates, I'm certain all four candidates are wonderful! As I said before, thank you for being so willing to serve our great city.

100 Miler Club & 200 Miler Club

Reminder for all of you that signed up in May for the 100 Miler Club, we hope you are near to your goal. Remember that 15 minutes of exercise = 1 mile. Logs are due by Nov. 1st. If your shirt size has changed please let us know. Shirts will be ordered after logs are turned in. Please put a phone number to text/call on your log. Cheers to good health!

YOUTH COUNCIL GOOD NEIGHBOR

Have we run out of good neighbors? Please email your nomination to HPGoodNeighbor@gmail.com

Please note the following changes on your October Hyde Park City billing statement

Solid Waste	
Residential 96 gallon with recycle	\$23.00 per month (increase of \$3.00)
Residential 64 gallon with recycle	\$22.00 per month (increase of \$4.25)
Stormwater Utility	\$6.00 per residence (increase of \$3.00)
Late fee	5% per month on balance

Winter Parking

Nov 1, 2022 - April 1, 2023

**No parking on the street between
1:00 am and 5:00 am**

- Where no curb and gutter exists, a vehicle must be parked 6 feet off the asphalt.
- Equipment or trailers must be removed.

The parking Ordinance applies during the entire 5 month period - whether or not there is snow on the ground.

**Welcome to our new
neighbors**

Sean & Kelsey Robertson

Adam & Dawn Barrus

SAVE THE DATE

The Hyde Park City
Tree Lighting Ceremony
will be held
December 4th 2023

newsletter

Message From Chief Goodrich

Welcome back students! As school starts up again, North Park Police would like to bring to your attention the safety rules regarding school crosswalks. Many of our students bike or walk to school and use the crosswalks daily. Please remember:

1. The operator of a vehicle shall yield the right-of-way by slowing down or stopping if necessary: a. To a pedestrian crossing the roadway within a crosswalk when the pedestrian is on the half of the roadway upon which the vehicle is traveling; or b. When the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.
2. The operator of a vehicle approaching a school crosswalk shall come to a complete stop at the school crosswalk if the crosswalk is occupied by a person.
3. If a vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the operator of any other vehicle approaching from the rear may not overtake and pass the stopped vehicle.

Please follow the directions of our crossing guards. Our crossing guards play a critical role in helping our students remain safe as they walk or bike to school. The biggest threat to our students and crossing guards is from vehicles turning left or right. If you are in a hurry, consider taking an alternate route and avoiding the crosswalks at the start and end of school. We have need for one more crossing guard. If you are interested in joining our crossing guard team or becoming an alternate, please contact the North Park Police Department at 435-753-7600 or visit our website at www.northparkpolice.org under the forms section.
-Kent Goodrich, Chief of Police

Hyde Park City Council Candidates

3 Seats - 4 year term

Bob Christensen

I have been blessed and grateful to have lived in this beautiful city of Hyde Park for 60 years. As a retired Aerospace Engineer and a retired Educator, I have enjoyed and loved community involvement by creating new innovative solutions and systems.

Below I have listed a few ways I have contributed to this amazing community:

- Mayor of Hyde Park City
- Planning and Zoning Commission
- City Council
- Board of adjustments
- Hyde Park City representative for the CVTD board.
- Hyde Park Lions Club (50 years) local and state.

I believe that it is our obligation to give back to the community for the privilege of living here in Hyde Park. I have the time and expertise to be able to do whatever is necessary for the city and to provide services to the citizens. I know that growth comes, and it can be a very positive addition if planned correctly to provide a safe and secure future. I will be open minded to the input given on behalf of the city and the citizens. Your consideration for my opportunity to serve on the city council of Hyde Park would be greatly appreciated. Thank you!

Stephanie Allred

It has been a pleasure to serve for the last 3+ years. The learning curve has been steep, but I've enjoyed becoming educated. My goal has been to keep our small-town atmosphere while managing inevitable growth in a wise manner. As a city council we have been addressing water issues and looking towards the future. The

water tank was finished. We're now drilling a well that will serve our future water needs. As a council member, I've also been involved with creating a new City Master Plan and creating ordinances and land zones. The State of Utah has imposed some requirements on all cities. We've been working with staff and the council to make sure we meet those requirements in the best way for our city. I have some fun responsibilities as I am over our Hometown Days Celebration, Building Facilities, the Royalty program, Christmas Tree Lighting, and the Youth Council. It's been fun to grow our celebration and add the Car Show, The Hyde Porker, Touch a Truck, etc. I've made changes to the Royalty program, expanding it to younger ages. I've received excellent feedback and feel it has been a successful change.

My favorite assignment is the Youth Council and the amazing youth I get to work with. Updating our building will continue as budget allows. It has been a privilege to work with what I consider to be the "dream team" - Mayor Cox, City Administrator Marcus Allton and city council Tiffany Atkinson, Karl White, Gerald Osborne, and Kevin Flint. I would love the opportunity to continue serving on the city council and would be grateful for your vote.

Tiffany Atkinson

Tiffany Atkinson, has been a resident of Hyde Park for the past thirteen years, with her husband Josh, and their four boys, Tyson, Alex, Cade and Gage. She and her family love the community and the city of Hyde Park.

While living in Hyde Park she has had the opportunity to serve on School Community Councils for North Park and Cedar Ridge, has served 4 years on the planning commission with the opportunity to serve as Chair of the Planning Commission and is currently serving on the city council.

While serving as a council member she has enjoyed focusing on parks and trails and working to create connectivity through our city and places where the community can gather. She has enjoyed learning from and working with staff, members of the commission, mayor, city council, and citizens. She believes in protecting individual property rights and that it is important to have reasonable voices to be a part of local government. She is committed to preserving the unique identity of Hyde Park

The growth of Cache Valley is impacting Hyde Park City and the areas around us. She believes it is important to plan for growth and to address the needs of the city, while preserving the culture of Hyde Park for future generations.

Kirk Brower

My wife Leah Jane and I built our home in 2004 and have lived here permanently since retirement. I graduated from USU with a B.S. and Master's, taught math, and was a high school principal for 27 years. I oversaw budgets of large schools and the building of two new high schools. As Direc-

tor of Operations at the Twin Falls School district for 6 years, I managed busing, technology, maintenance, and building. Now that I'm retired, I have relevant experience and time I could devote to City Council. There are those in Hyde Park who are concerned about the growth in our rural community, and I have been one of them. But in talking to others and researching this issue, I was surprised to find that mandates from the STATE government, not the City government are at fault. The only thing we have control over is where we allow housing to occur. I don't think we want the high-rise solution Logan is adopting, so smaller lots are probably a better option. As with this matter, talking with folks and examining different sides of issues produces the best results.

I love Hyde Park and its people and if elected will do my best to look out for you.

Smithfield City Library

25 N. Main
Smithfield, Utah 84335
(435) 563-3555

Check out all the fun happenings at the Smithfield Library

<https://smithfieldcity.org/library/page/upcoming-library-programs>
