The Cowboys were led by seventh-year coach Mike Gundy and played their home games at Boone Pickens Stadium. They are members of the Big 12 Conference. The 2011 season was without a doubt the best in the Cowboys' 112-year history in football. They opened the season with 10 straight wins, in the process rising to #2 in the AP Poll —the school's highest ranking in a major poll. After unexpectedly losing to Iowa State in Ames, they finally finished the regular season 11–1, including a 44–10 victory over rival Oklahoma for their first Bedlam Series victory since 2002. They also won their first Big 12 title and their first conference tie since winning the Missouri Valley Conference tie in 1948. They were invited to the Fiesta Bowl, their first Bowf Championship Series, and their second appearance in school history, where they defeated Stanford 41–38 in overtime. The All-American selection designated by the NCAA, case OSU as the national champion.
