Real Steel Boxing Heroes Mod APK (Unlimited Money) is an intriguing action game from publisher Reliance Entertainment Great (UK) Private Limited. The game is based on a popular real steel movie (2011) and the latest in a series of real steel games. In 2020, boxers will replace robots. Hugh Jackman plays former boxer Charlie Kennton, and his son Max Kenneton uses robots to take part in betting battles to make money. But after losing an ambush and a noisy boy in a match, they didn't have the money to buy another boxing robot. Luckily, they picked up the atom, a training robot in the scrap area. Then it was brought in to repair and control it to attend the Robot Boxing World Championships in the hope of stripping Zeus of the championship. Similarly, in the game, you control the boxing robot to fight other robots to compete for the Boxing Champions Championship. Build your robot game owner of legendary real steel robots, such as Zeus, Atom, Meidas, Noisy Boy, ... In addition to robots sold in the game, you can also create your own robot in your style. In addition, there are up to 15.0 giant boxing robots with 32 special robots. You can customize your robot with spray paint, can replace each section for it, name your robot and make your name the world famous through the tournament. Fight and become the hero of this game has quite the same content as the predecessor of Real Steel World Robot Boxing. Real Steel Boxing Champions is a boxing tournament for robots. Your mission is simply to join and defeat all other gladiators, including Zeus – World Robot Boxing Champion. The way this game is played is nothing new compared to Similar genre games, you just need to control your robot, launch critical attacks to defeat the enemy and towards the championship. Control in touch & sweep format, as you control your robot by clicking the screen buttons, and swipe to escape the opponent's kick. Although it's a robot boxing game, the gameplay is just like a real boxing match. You can attack and defend (put your hand in front of you to stop enemy attacks into critical location, wait for the right time and counter-attack). After a period of competition, your anger will be filled and that's when you can use your special skill. Many modes variety of modes are the advantages of this game. Real steel boxing heroes have many different modes to explore. Professional mode is where you build your gladiatorial career from amateur to champion. In addition, there are many other interesting modes such as PvP, campaign, play with friends... This variety allows you to play this game for hours without feeling bored or tired. Beautiful 3D graphics not only own good gameplay, but Real Steel Boxing Heroes also owns its own very beautiful and impressive 3D graphics. Action scenes, beautiful and realistic kicks like transformer movies. In addition, the sound is also made with a very realistic hit metal sound. That helps you feel the power and power of the fists of giant machines. Mod APK version of Real Steel Boxing HeroesMOD Features Unlimited Money: Mod Version will help you to upgrade your robot easily by giving you infinite money. Just download mod version and use it, you have the opportunity to create the most powerful real theft robot.Download Real Steel Boxing Heroes Mod APK for AndroidIn an article, I can't describe all the greatness of this game. A fighting game cannot be lost if you are a fan of the Transformers series. In addition, Real Steel Champions Boxing (Mod Money) is a great choice when you want to buy favorite robots at the start of the game. Don't forget to leave comments and reviews about the game below the article. Article.
