Just what can you get for \$20 a year with Nintendo Switch Online? A lot, actually! Source: iMore/Rene Ritchie Nintendo has a special online service that owners switches can subscribe to at a small fee. It gives us access to game-specific content in the Nintendo Switch Online app, online gameplay for compatible games, access to play classic NES gaming titles and special discounts in eShop. Here's everything you need to know about nintendo's online subscription service. What does a subscription offer me? With a subscription to Nintendo Online, you'll get five major exclusive features: Online Gameplay – You'll have to pay to play with others online in most games. For example, if you are a high-ranking racer in Mario Kart 8 Deluxe, you'll want to protect your rank, and the only way to do that is to pay for the online game. This includes cooperative and competitive games. Access to the Nintendo Switch Online app - Nintendo has a special app that is exclusive to Switch and provides special content for certain games. It includes voice chat, rankings, a special tool shop, games invites for friends, and more. Without a Nintendo Switch Online subscription, you won't be able to get any exclusive content. Game save data backups – With a subscription, you can back up the game save data to the cloud, so it's significantly less likely that you'll lose those hours and hours of play if something happens to the Switch. Unfortunately, some games will not accept cloud saves, such as Pokémon Sword and Shield and Animal Crossing: New Horizons. Classic Game Selection - Nintendo has included a library of classic NES and SNES games that you can play alone or with friends on Switch – games like Super Mario Bros. 3, Balloon Fight, The Legend of Zelda: A Link to the Past, Star Fox and more. We don't have to pay anything extra for these games, but if you cancel your Nintendo Switch Online subscription, lose access to them. Here's a list of the games you can play. Discounts on eShop games - In addition to removing some classic titles in our laps at no extra cost, Nintendo offers us offers at eShop eShop that non-subscribers do not receive. Exclusive games In addition to NES and SNES games, you'll also have access to Super Mario Bros. 35 and Tetris 99, two very unique Battle Royale games exclusive to the service. How much does it cost? You can subscribe to an individual Nintendo Switch Online member for a month, three months, or a year for \$3.99, \$7.99, or \$19.99, respectively. A family member allows a total of eight people to share a subscription, but is only available in annual increments and costs \$34.99. Can't I just use my Wii U or 3DS account? Nope. Sorry. This subscription is exclusive to Nintendo Switch. No action. Which countries are supported? Right now, Nintendo Switch Online is only available in the following countries: USA Canada Mexico Argentina Brazil Chile Colombia Peru i subscribe? You'll need a Nintendo account to subscribe. Chances are, you've already got one, but just in case you don't, here's to sign up for one: sign up for a Nintendo account Once you sign up for a Nintendo account and login, just mosey over over at The Nintendo eShop, go to the Nintendo Switch Online section, choose the membership option, and start 7 days of trial or just sign up for the full service. sign up for Nintendo Switch Online What doesn't have a

subscription to me? Just in case you're faced with the decision to pay for Nintendo Switch Online or go without, here's what you still get to do on your Switch, even without subscription: Access to Nintendo Switch eShop – You know, so you can buy all the great Nintendo Switch games. Register and manage your friends - Don't get to talk to them or anything, but you'll know when they're on and what they're playing (if they've turned on this information). Share screenshots on social media - No one is left out of social media feeds. Access to the Nintendo Switch Parental Control app – Because Nintendo would be foolish to restrict this behind a paywall. Ability to take screenshots - It doesn't matter if you're online or not: You can take screenshots to show your friends. You can still access YouTube - Despite youTube being an online app, you don't have to use Switch Online to use it. You can still connect your Nintendo Switch account to a friend's switch - It doesn't matter if you have it online or not; you can still change your main account on EShop Nintendo. You can still play free-to-play games - Games like Fortnite, Arena de Vale, Warframe, and Paladins can still be played without an online subscription. Any questions? Do you have any questions about the Nintendo online subscription service? Put them in the comments, and I'll help you. We may earn a commission on purchases using our links. learn more.
