Naxeex Ltd Android 4.4 + Version: 5.0 \$0 Rope Hero: Vice Town (MOD, Unlimited Money) - dynamic three-dimensional effect with a third person. The game begins to evolve from the moment your hero wakes up on the street wearing a superhero costume, and from the weapons he has just a strange type of rope. To realize that you can find out what happened only by following in your footsteps you set off on a journey through the city, while completing various tasks and missions, as well as destroying enemies. As you progress, you will pump your character, and complete the missions you will use not only lasso, but also vehicles. Updated to version 5.0! Andro-Mod » Games » Mod » Rope Hero: Vice Town (MOD, Unlimited Money) Rope Hero: Vice Town – an absurd, ruthless and full of experimental humor action movie that confuses a three-dimensional city with a bunch of interactive zones, non-standard superheroes and gangster quests. Once you progress, you will have to deal with bank robberies, and with competitions on pink tanks, and with jump from the roofs of skyscrapers. In many ways, Rope Hero: Vice Town takes over the ideas from Saints Row: you can see similar keynotes and try to construct a fictional universe where it's impossible to get bored. The differences are concentrated not in the plot, but in the gameplay: the characters in Rope Hero: Vice Town have the opportunity to move around the city no worse than Spider-Man and can, after breaking half his legs, easily get to their feet and return to battle. And you have to fight a lot - the virtual city does not sleep even at night! Open world games are really fascinating. This is so obvious that everyone keeps rushing into these games. So far, we can still see them as inspiration for a series of streamers. The most famous is probably Grand Theft Auto V. But these games are quite expensive, so not everyone is in a position to download them. So, we would like to mention the game Rope Hero: Vice Town. It's a completely free game for both Android and iOS platforms, so players can enjoy playing with their friends without hindrance. If you have never tried games in this series, this is the possibility. Background In this game, players will play the role of Rope Hero to save the city. This city has plunged into criminal activity from criminals. It seems that the level of these criminals is so dense that they no longer fear anyone. So, it's time you get up and become the city hero. Kill the criminals to their roots so that this city can return to its inner peace. However, they will be very crowded, so you need to pay attention to your safety. Design and graphics Rope Hero: Vice Town is designed in a beautiful 3D format. At the same time, the game also regularly upgrades the quality of the frame. As a result, players will feel like they are in a miniature world. The characters are also designed funny and varied. There are many choices of costumes so players can change their appearance. Gameplay To save the city, you will have to fight with criminals. As a superhero, the player has a lot of special abilities. Rope Hero has the ability to jump mega, swing, land, and a number of other skills. So, you will have a clear advantage in the journey of fighting these crowded criminals. The game will offer consecutive missions so that the player can quickly know the goal to perform, instead of fighting without any tactics. You can move in any direction you want to ambush, for example, rather than perform battles within the framework. Supporting you will be a massive arsenal for you to fight. Huge arsenal players can equip standard weapons like pistols, rifles, etc. But, Rope Hero: Vice Town is more than that. Rope Hero owns a diverse arsenal of unusual types. For example, we have a freezer – the type of gun used to freeze the enemy, flamethrowers – with the ability to fire on flames, or even dance gun – that can make the enemy constantly dance if hit by a bullet. The most special is the hero's linhero's unique weapon, super rope – with unlimited usability. This is what makes our hero able to quickly go from building to building. There are many other special ability weapons. But maybe I should let you explore the rest on your own. In addition, there are other cool military vehicles that players can use, such as airplanes, helicopters, cars, motorcycles, tanks, and so on. Join the superhero in Rope Hero: Vice Town MOD APK (Unlimited Money) to join the fight to protect justice and peace. Download this game to your phone for free via the links below the article.
