We have 3 square slippery at the top of the table, with a nest for the spider. At first you think the spider is no use, but when you move it stops falling grumpy crops. Every time you start the level there will be 2 internet water drops and 1 other crop in front of the spider. Make matches next to flowers to find them growing and out the way. You'll lose a few crops due to the grumpies, but the sooner you move the spider the better! Use the filler companion, if you have it together with picks, and it will all work out!
