In this post, we shared a Guide to the Rilakkuma Farm for Beginners. We have also posted a bunch of Rilakkuma Farm fraudsters, tips & strategies that can help you move forward quickly. This is a cute relaxing agricultural game where you plant/harvest crops, make dairy products, fill out orders and earn money. So without further ado, let's dive in. Rilakkuma Farm Guide: - Your goal is to grow and expand the farm. After the tutorial, you can do many things: For example - do a search, complete orders, start growing corpora on the ground and making products in stores such as cow barn, confectionery, etc. As you level up in the game, you will be able to expand the farm; It will cost you gold coins or hammers or shovels. If you do not know what these resources are and how to acquire them in Rilakkuma Farm game, A how to get a checker How to get a shovel Learn how you progress and spread the farm quickly - Rilakkuma Farm cheating, tips and strategies: - Participate In The Events To Level Up Quickly In Rilakkuma Farm: - At Rikukalma Farm you get jewels, new builds, decorations so that you can level the rilakkuma farm. And one of the best ways to straighten quickly is to participate in events. Events are like fulfilling orders - but they award more rewards. For example, at the time of writing this guide, there is a Christmas preparation event where you give items to the characters. And as a result, you earn a tone EXP in an instant. Therefore, we recommend that you focus on event missions to quickly level the level. Expand Farm Boundaries You can open new agricultural areas by paying for gold coins or tools such as a hammer/shovel. There would be a board around the farm boundary. Tap these whiteboards and gold or use tools to expand borders. Once you've levelled, you'll get new shops, decorative items and much more. And to place them, you'll need space - so make sure you continue to expand the boundaries of the farm. Complete all Quests To Earn Big Box In the upper left side of the game interface, tap the medal type button to open the quest menu. There you will find some missions/tasks that you should complete for rewards. When you're done looking for it, the game gives you a barrily box containing valuable rewards. Save Jewels For Later Jewel(s) is a premium in-game currency game rilakkuma farm. You can use it to fill out orders immediately, to perform tasks in an instant; growing crops, manufacturing products, production of events, etc. You make jewels when you straighten or out of boxes. Since it is a premium in-game currency, you must use it wisely. We recommend that you save it for the end of the game; After level 30, you can add more stores on the farm, which costs jewels and for premium tools such as hammer, shovel. If you don't want to play it for a long time, use it based on your needs. You can sell coin items You can sell items for coins. Go to the Items tab in the menu > -> header on the Items tab -> select the item you want to sell -> adjust the quantity -> press the sales button. You can use this feature when the storage is full, you are low on coins. Rank Up Decorations For getting characters Rilakkuma Farm game features more than 123 character illustrations that you can get by ranking up decorations. To rank the decorations you need coins and duplicate cards of original decoration. For example, if you want to sort up to decorate sunflowers from a small flower, you'll need its duplicates. You can get the original decorations from the current boxes. Fill out orders to become rich Do you want these gift boxes? Then focus on fulfilling local orders. Go to the Orders screen and finish people's commands. All you have to do is tap the building -> check the order - grow crops or make products in the store depending on the order - fill out. You will earn XP, coins and heart. Fill the heart monitor to get a gift box. Then deliver the gift box to open it. You will get coins, ornaments and other items from the current field. Keep An Eye On Sale Head to the shops' menu in Rilakkuma Farm game -> scroll down below to today's sale section -> there will find some deals that you can grab in exchange for gold coins or jewels. You could get cutting-edge ornaments, duplicate ornaments or tools such as a hammer, shovel. Adjust the farm Do not erotho things. Place a house building, a field of produce, shops in groups so you can easily access specific types of things in one area. To move buildings or objects, tap and hold for a few seconds. Then select where you have to move it -> press the OK button in place. Get Jewels For Free Use Secret Room As per the current event, you get Rilakkuma Topiary for free. You'll find it on the Items tab; Ornaments. Put it on the farm. After that, tap to open a secret room -> there you can use items such as quick fertilizer, slow feed, quick cook for benefits. Also, see - How to use and get a hammer How to use and get a shovel So make it all in this post on Rilakumma Farm Fraudsters, Tips & Strategic Guide for Beginners.
