DIFFICILE MODEDerrate your racing journey adrift and test your drifting skills with challenging drift racing missions and earn impressive rewards such as custom drift racing cars. NOTE: Drift Max World doesn't need an Internet connection after installation! Long live offline games! Drive carefully around town Spectacular races on your Android Drive at maximum speeds through the streets of the world's Angry Birds star characters in a racing game The most realistic simulation on an Android terminal Get on your bike and whistle at high speed through traffic The most entertaining 2D racing game you can find since you were a kid. I've shown myself to be speed enthusiasts. Almost every running program, or famous tournament in the world that I've ever missed. I use my money and I buy toy cars once a car. Once, accidentally, I ruined my car, I cried a lot, because of the passion of a broken child. From there, I would have liked to grow up; I would have a lot of money to buy expensive race cars and become a talented racer. And without waiting until then, Drift Max World - Drift Racing Game helped me realize this dream at the age of 20. This is a racing game published by Tiramisu if you are ready to conquer the Let's start our game right now! From the publisher of Drift Max Pro Perhaps the gameplay of the racing game is no stranger to mobile players. Similar to Asphalts 8 or Street Racing 3D, the player's mission in Drift Max World - Drift Racing Game is to control your car and overcome all opponents and win the champion's trophy. The game offers a variety of game modes, mainly PvP racing mode and challenge mode, which shows off its driving skills. Beautiful 3D graphics - many different racetracks Initially, players receive a car by default, participating in tournaments and winning, players are rewarded with attractive amounts. Use them to upgrade your car, decorate your car. The game provides a vehicle upgrade system in which players can replace parts such as suspension springs, wheels, nitro cylinders or even engines to make the car more perfect. Also, if you feel that your car is too old, buy a new car, they have top speed, drift, acceleration and discount, for players to choose according to their preferences. However, their price is quite high, forcing players to participate diligently in the tournament to make money with the default car. Although the settings are not too high, they are fairly stable, and help players become familiar with the car controls in this game. Temporary If you are looking for racing games and dropping your soul into speed racing, then Drift Max World is a great choice. With hundreds of different challenges, players can show off their skills without worrying about the limits. Great prizes await someone worthy, join them and catch them right away You are now ready to download Drift Max World for free. Here are some notes: Please check out our installation guide. To view the Android device's processor and GPU, please use the CPU-Z app
