ALL VERSIONS You may seem stupid, but one thing is for sure that zombies are very hard. After shooting to death in the first and second editions of the game, it's time for more shots in Stupid Zombies 3. Wipe out of the zombie invasion in other 100 levels. Geometry is the key aspect Humanity has been devastated and there are few people left who can save humanity. This small group must face hordes of zombies in a game that combines action with puzzle games. Taking advantage of walls and various objects that are distributed around the settings, you need to shoot your weapon to have as much influence as possible on your enemies. The key will be how the shots rebound. Rebound.
