FOLLOW US Page 2 FOLLOW US Page 3 Follow US Page 4 Follow US Page 5 Follow US Page 6 Follow US Page 7 Follow US The most realistic aircraft. The world at your fingertips. It's not a game, it's a flight simulator ► highly recommended. - Mel Martin, Engadget ◆ over 1 million downloads! ◀Come experience why real pilots X-Plane.It starts with the flight model - the same flight model used in our FAA-certified desktop simulator - that's complete enough to model the flex in your wings and tilt in your landing gear. Add to that our desktop-quality plane with multiple liveries and interactive 3D cockpits - so detailed you can do a full boot procedure using the hundreds of buttons, buttons and switches in the cockpit. With work meters, flight displays, & more, these cockpits are just as realistic as those in our full desktop sim. But planes are not good without a place to fly them. That's why each of our free regions has detailed terrain, lifelike city buildings, & 3D airports, complete with terminal buildings, jetways, hangars, & more. Want more? Subscribe to unlock the global landscape and gain access to more than 37,000 airports, with over 11,500 airports with 3D terminals, hangars, & more ► FEATURES/ 9 free tutorials, covering the basics of takeoff & landings, traffic patterns, helicopters, & more. ✓ 2-player internet multiplayer via Game Center (free for everyone) ✓ Fully interactive cockpits on many aircraft. wired with real system models, with work meters, displays, buttons, & switches/ Fully boot procedures supported on many aircraft (optional Launching an aircraft from cold & dark condition) ✓ More than 50 modeled systems, each of which can be failed on command/ Emergency Scenarios/ Combat Missions ► AIRCRAFTThe app includes 2 aircraft (plus all 5 landscape regions) free of charge. In addition, the following planes are available as in-app purchases: • Free! Cessna 172SP w/ full interactive cockpit + 4 liveries • Free!
