When I found it almost hopeless to push through the forest, I watched the flow of the mountain current. Trovando quasi impossibile spinger oltre il mio andare attraverso il bosco seguì il corso di un torrente montano. Obviously, I'm not the only one trying to get home. An attentive passer-by would probably see me as slightly irritable or, at best, determined and concentrated as I quickly make my way through the crowd. È chiaro che non sono l'unico che torna a casa. Se un passante mi avesse osservato avrebbe probabilmente notato in me una leggera irritazione, o nella migliore delle ipotesi mi avrebbe visto determinato e concentrato mentre mi faccio di fretta tra la folla. Also, it would not be possible at all to push your body in any way after two days of suffering. Sarebbe stato impossibile, dopo i due giorni di sofferenza, imporre al mio corpo altra fatica. Thousands of Dominicans and tourists push their way to Av. Le migliaia di Domenicano e turisti spingono la loro maniera su Av. You push in there and I'll hold him. Tu spingo, io lo solva. Today I saw the phrase burst through the crowd, so I wondered if I could say: I had to storm through the crowd to get on the train. Does the intrusion have any connotations I should know about? How would you say a sentence? Thanks. The belly, I think, is torchier than push. You can apologize to people for pushing your way through the crowd; if you'd made your way through, you wouldn't have apologized. The belly, I think, is torchier than push. You can apologize to people when you pushed through the crowd; if you'd made your way through, you wouldn't have apologized. I totally agree. Although you'd say sarcastically, I'm sorry I've been biting through if your polite pleas for someone to move are ignored. There is also a burst (on someone) too.
