Are you sure you'll still survive and be safe? Download the game and continue to fight like a warrior to save the city. Attractive empty zombie age 3 has a story similar to most other types of survival games. When the zombie pandemic erupted and spread, the bodies suddenly returned to life and attacked those who were still alive. This catastrophe threatens the survival of humanity, leaving the crowded cities now almost empty. A group of people are lucky to survive and plan to destroy hordes of zombies; they must find a way to survive and rescue others trapped in the city. What if you were also one of them? Now that you stand between life and death, you have no choice but to try to complete the assigned mission and fight, saving the people you meet to survive in the midst of a pandemic. Simple, fun and more It must be said that this game has decent gameplay; You will play the role of the lucky to survive and fight zombies. The screen will be split into two, with the left part of the screen as the control button to help you move the character, the right part is keys to help you attack or change weapons. During the game, after each task is completed, you will receive a bonus and experience points in accordance with your achievements. Bonuses can help you trade, upgrade weapons and equipment, buy new characters, ... and experience points are to level up. The higher the level, the more you will have the ability to unlock more unique weapons. The new that game brings with more than 20 different which opens gradually according to levels, each character will have a unique ability and different strengths that will support you at each stage of the game. You can also upgrade your style to strong, as well as increase the damage done in the character information section. Not only that, but the weapons in the game are also incredibly varied and rich with more than 30 different types from daggers, sledgehammers, sniper rifles, ... you can buy in the store or get them in the lucky wheel. A critical note is also bullet bullets. At each step, you can only carry a certain amount of ammunition, and when you shoot off, you can only use your melee weapon. Therefore, you should consider using it; you won't want to run out of fuel when faced with zombies. Attractive Game Modes Zombie Age 3: Shooting walking zombie has ten different game modes for you to comfortably experience. The game will be based on your strength and strength to judge whether it is easy or difficult for you. Each game screen will have a different game mode, such as destroying the proposed Zombie, collecting objects, rescuing people... In addition, the game also has special levels, such as motorcycle driving mode and survival mode. Not only that, in every other game mode, but you will also encounter more than 15 different types of zombies. You can also meet powerful bosses who are hard to destroy, so be agile to meet them! Sound and graphics When you start the game, you will quickly realize that this is a big game, not because of its size, but the care of the publisher. The graphics in the game, although the only 2D, are drawn very sharp and vivid, the character movements are quite smooth. The guns are designed extremely well with full of modern motifs and equipment, to help destroy zombies quickly. The game has a scary, mysterious soundtrack and sounds that provide drama and fun. In particular, you can hear the sound of the cannons very well, but if you pay attention, you will quickly recognize the origin of these shoots. Zombie Age 3 is a game worth trying on your phone. But be careful because this is something that can keep you on screen for hours. Hours.
