Picture: shutterstock Is your mind a roadmap for america's big cities? The United States of America has a population of more than 325 million people. It is the third most populous country in the world, after China and India. In this great country, the vast majority of people live in major cities. Whether it's the East Coast, the West Coast, or somewhere in the middle, about 80% of all Americans work and live in urban areas, or in the suburbs that surround them directly. This is where it's easiest to find work, which is what attracts many Americans from rural areas. In fact, the general population in urban areas is increasing, while in rural areas it has declined. Despite not being as densely populated or large in the area as other cities in the Americas or Eurasia, many American cities are global icons that have had a huge influence on the world. When it comes to finance, technology, art, media, and culture, many American cities have set global standards for decades. Some of these places are even currently on the cutting edge. Across the country there are huge centers of art, medicine, commerce, food and more. If you think you know the cities of the United States as the back of your hand, take a crack in this quiz! Copyright © 2020 InfoSpace Holdings, LLC, a System1 company We've all taken the wrong turn and ended up somewhere in an accident. But have you ever Accident, Maryland? This little town is real! As silly as it sounds, it's one of the many cities with a strange title. You're not going to believe the strange names of the following U.S. cities 1. Chicken, Alaska An Alaskan ptarmigan JHunter/Getty Images This Alaskan mining town fully embraces its ridiculous name, even erecting an I Got Laid in Chicken, Alaska sign. In the early 1800s, miners survived there by eating ptarmigans, a bounce hunting bird in the area. When the city was incorporated, the locals wanted to honor the bird. But they fought to spell Ptarmigan. They decided to call him Chicken instead. Next: Fans of the Extreme Couponing program may want to move here. 2. Coupon, Pennsylvania Near Altoona, Pennsylvania Jeff Swensen/Getty Images If you do a web search for Coupon, Pennsylvania you will find more coupons for shopping in Pennsylvania than information about this community. With only 73 inhabitants in the 2010 census, Coupon is close to the largest city of Altoona in Cambria County. The unincorporated community was named after an old industry that pays employees in scrips, or coupons. Next: This city capitalizes on its name of food for breakfast. 3. Oatmeal, Texas An oat festival sounds fun. | AlexeyBorodin/Getty Images Oatmeal, Texas is not inspired by breakfast; is just how the name of a local farmer, Othneil, is anglicized. However, the city of Oatmeal now hosts the annual Oat Festival over Labor Day weekend. The celebration began in 1978 when a resident asked oat producers if they would sponsor a festival to put oats on the map. National Oats agreed, and they have celebrated ever since. Next: The French pronunciation of this name is less embarrassing. 4. Embarrass, Minnesota An old trapper camp in Minnesota NajaShots/Getty Images of all strange names, Embarrass certainly pleads for his origin story to be told. The story goes back to the French fur hunters and priests who struggled to navigate the river in the area, nicknamed it the Rivière d'Embarras, or River of Obstacles. The French name got stuck—not the translation—and citizens now lean on the silly name instead of saying it the French way. Next: If you even know a little Spanish, this town will make you laugh. 5. The Baths, California The road to Los Banos Andrei Stanescu/Getty Images Many English speakers in the U.S. know the bathroom means bathing in Spanish. But this town actually got its name from the creek near its first post office, called El Arroyo de Los Baños del Padre. In this original name, the baths referred to the fact that settlers bathed in the creek, not that they used it as Next: it makes sense for people to feel like it. 6. Danger, Nebraska A Rural Nebraska GeorgeBurba Road If you've heard Richard Marx's 90s song Hazard, you probably thought the city mentioned Fictitious. But it's actually a real community (with a population of 70 people as of 2017). Marx wanted to sing the line, this small Nebraska town, but needed a two-syllable location to include. He asked the Nebraska Chamber of Commerce for a list of city names and chose Hazard. However, it seems appropriate as the song is about a murder! Next: Speaking of murder, this next city fits right into year 7. Hell, Michigan A beautiful Michigan Bridge Getty Images Some people really live in hell — Michigan, that's it. Hell has rested on his behalf; his website is gotohellmi.com, and sells souvenirs boasting that you've been in hell and back. The town was named in the mid-1800s when a grain mill owner paid farmers for the grain with their homemade whiskey. Whiskey had such a reputation that the farmer's wives would say their husbands had been in hell again. The name's jammed. Next: No, this city is not full of giant African animals. 8. Hippo, Kentucky A Kentucky JackieNix/Getty Images Farm This Floyd County city is not named after the hippopotamus animal, shocker. History says the first post office registered in Hippo was named after the postmaster's husband, who was a hypochondriac. So you pronounce it hiccups? You'll have to go there to find out. Next: A bathroom joke plus 9. Pee Pee, Ohio A creek in Ohio PapaBear/Getty Images, unsurprisingly, the people of Pee Pee were not named for bodily fluid. This city was named after the creek that runs through it, Pee Pee Creek. And that creek was named after an early resident named Peter Patrick. Next: A city sexualized in the Amish country? 10. Sex, Pennsylvania The city of Domars/Getty Images Intercourse sex is considered the Amish Country Center in Pennsylvania and has been for two centuries! The origin of the name is not 100% known, but two major highways cross here, so it is a stop for travelers and locals alike. In 1814, when the city received its name, Intercourse referred to social interaction and friendship. So get your mind out of the ditch! Next: A sad story behind this city 11. Money,

Mississippi People out of court before the murder trial of Emmett Till Ed Clark/The LIFE Picture Collection/Getty Images This impoverished city has an unfortunate legacy with the civil rights movement. In 1955, a 14-year-old boy named Emmett Till whistled at a white woman. His punishment was death by lynching, and the outrage of this horrific event was the catalyst for action. This legacy is all that's left of Money, along with buildings and less than 100 people. Next: Well, this city definitely has a strange name. 12. Okay, Oklahoma Truck reisgraf/Getty Images Okay, OK—oh man, we don't get tired of it—we don't get his name from the state abbreviation. The name honors a truck and trailer, called O.K. 3-Ton, which was manufactured by the Oklahoma Auto Manufacturing Company in the city. The business played a vital role in the community. Although it eventually failed, the remains of the factory are still there to this day. Next: A wild western story behind this name 13. Cut and shoot, cut and shoot the city council at Texas Texas Hill Country, so what exactly is it? Shoot who? Well, the city got its name from a confrontation that occurred in 1912 over whether an apostolic preacher could hold a meeting at the community center. When things warmed up between opposite sides, they say a child said, I'm afraid! I'll cut around the corner and shoot through the bushes in a minute! Fortunately, there was no cut or shooting that day! Next: This ordinary small town has any less ordinary name. 14. Frankenstein, Missouri A city that celebrates Frankenstein PatriciaPix/Getty Images If you lived in this area, you can request a name change. But the people of Frankenstein, Missouri, have lived in this rural city since the late 19th century without looking at the unusual nickname. The name probably comes from a pioneering city founder, Godfried Franken. Next: Our last strange place will make you feel festive. 15. Holiday lights in the cacti of Santa Claus, Arizona Joshua Routh / Getty Christmas images all year round? Sounds too good to be true. And it was. Santa Claus, Arizona was founded in 1937 by real estate agent Nina Talbot. He tried to create a tourist trap where visitors could stop at any time of the year to see Santa Claus and Christmas-related attractions. For more than a decade, he brought visitors to the area. However, no one bought real estate and stayed. So Talbot's plan failed. He sold the city, and now it's just a ghost town. City.
